24 Injured As Traffic Toll Rises; 34 Mishaps

4 Motorcycle Crashes Cause Injury to Six; Three Hurt on Bridge

Twenty-four persons were injured in 34 weekend traffic accidents reported to Quad-City authorities. The injured were hurt in 15 of the accidents, four of which involved motorcycles.

Three persons were injured, two cars were damaged extensively and a section of bridge railing was torn out in a collision on McKinley bridge at Venice at 6:35 a.m. Saturday. Police said the accident occurred when a car driven west on the east approach by Marion C. Blankenship, 20, of St. Louis, failed to make the curve and crashed into a car driven by Donald K. Orr, 34, of Festus, Mo., pinning the Orr car to the bridge railing.

Blankenship, Betty LaBrayer, 16, St. Louis, a passenger in Blankenship's car, and Orr were taken by ambulance to St. Elizabeth Hospital. Miss LaBrayer was treated for a possible jaw fracture and abrasions to both knees and was admitted. Blankenship received skull x-rays and Orr suffered a three-inch cut to the temple, a cut to his forehead, contusions of the chest and right knee and left ankle. He was admitted. Blankenship was charged with careless driving.

3 Hurt near Athens
Three young Granite Citys enroute to SIU at Carbondale were injured, one requiring 200 stitches to her face, about 6:30 a.m. Saturday when their auto skidded on the wet pavement at a curve on Route 151 near New Athens and crashed into a bridge abutment.

Taken to St. Elizabeth's Hospital in Belleville were the driver, Walter T. Bruder, 21, of 3210 Newell drive, and his sister, Donna Kay, 17, of 414 S. 1st St., a graduating senior at Granite City high school, who needed the 300 stitches.

Taken to a Red Bud hospital was Kathy Larner, 18, of 2405 Edwards street, also a high school senior, who suffered fractures to a leg and an arm.

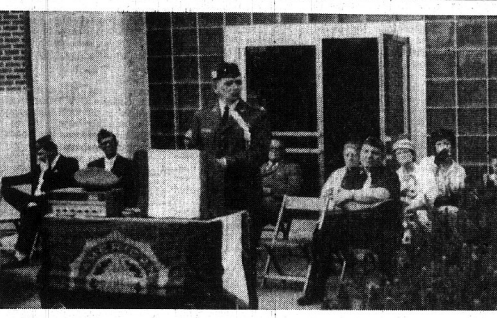

Bruder, a junior at SIU, was returning to the university to take a draft examination, and his sister and her friend were accompanying him, planning to inspect the campus. Bruder suffered a cut to his right arm.

Robert L. Howard, 24, of 2005 Nevada avenue, and a passenger.

10 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Frederick Hoffman, 1751 Walnut street; Emily Accola, 3238 Washburn street; Joseph Pryor, 2305 Center street; Randy Pryor, 4913 Redwood lane; Betty Mathis, 34 Oaklawn terrace; Mary Pate, 2840 Warren avenue; William Wood, Collinsville; William Laycock, 2323 Pontoon road; Edward Glasper, Brooklyn; Brenda Withers, Route One.

COL. RUSSELL STRANGE, Memorial Day speaker at yesterday's services. In the background are—Charles Austra, Post 307 Commander; Elvers Johnson of Legion Post 799 and Fifth Legion District Chaplain; Mayor Lee of Venice; Fred Hogerkamp, parade marshal, and Gold Star Mothers and other guests.

Memorial Day Ingredients— Patriotism and Dedication

"Memorial Day is a time for recalling things great and intimate; a time for lofty patriotism and dedication to strong principle."

That was a message given to an audience of over 500 persons present for yesterday's advance Memorial Day parade and services conducted by Venice-Madison American Legion Post 307. The speaker was Col. Russell P. Strange, formerly of Madison and now commander of the Air Force ROTC and professor of Aerospace studies at the University of Illinois.

Col. Strange, dressed in Air Force Blues, changed from his decorated Air Force cap to his Venice-Madison American Legion Post 307 cap as he spoke at the Madison Memorial Center.

"Memorial Day is a time for pride in our wonderful heritage manifested by historic reminders."

"It is also a time for private remembrance, an unlocking of secret, treasured memory; for that sweet pain which flows at the first sign of other recognition."

"Memorial Day is the store-room of the heart where the real fragrance of memory keeps alive what they were and did."

"Particularly we are here to remember the enduring fortitude, the patriotic self-obliteration and the unsurpassed military genius of the American fighting man."

"The warrior, above all other men, is required to perform the highest act of religious teaching—sacrifice."

The ceremony was conducted this year at the Madison Memorial Center, Seventh street and Lee avenue, and was held a week early because of next weekend's three-day holiday.

Ceremony at Legion Home
Preceding the Memorial services were a wreath-laying ceremony at the Arlington Cemetery with the tomb of the Unknown Soldier at the Legion Home in Venice and the annual parade, which started at 2 p.m. at Fourth street and Broadway in Venice.

A wreath also was placed at the John F. Kennedy memorial parade by Legion Post Commander Charles Austra.

Following the parade, the ceremony at the Madison Memorial Center included the playing of the National Anthem by the Madison high school band; the invocation by Rev. Michael Skordina; and the presentation of the Legion Home flag.

860 Seniors \$153,273 Cost To Fix Battered McKinley Bridge

700 at GCHS, 123 at MHS, 36 at VHS; Two Exercises This Week

About 860 students are expected to be graduated from the three area high schools at commencement exercises this week and next week.

Madison area about 700 seniors at Granite City high school at 8 p.m. June 3, 123 at Madison high school at 8 p.m. Friday and 36 at Venice high school at 8 p.m. Thursday. The Granite City total is slightly under that of a year ago when Madison had 114 and Venice 37.

The schools will have increased enrollments in the fall, as Granite City high school expects 1036 new sophomores. Madison high school is preparing for 230 freshmen and Venice high school is expecting 95 to 99 freshmen.

Police Range Looted
Five rifles used by the De-Malay Chapter rifle team were stolen from the Granite City police department firing range.

Poplar and Oak streets, and the area have complained of damage to paint on their homes and the surface of automobiles. Complaints of fogged air brakes, making it difficult to breathe, also have been received.

Mayor Lee said that the Illinois Air Pollution Control Commission has been notified of the situation and has informed the city it is making an investigation also.

Approve Fire Aid Pact
Street Supt. Jay Maurer was instructed to make a thorough survey of sewers that need cleaning and to institute a cleaning program. The council approved a mutual aid agreement among Quad-City area fire departments under which fire departments can call upon other units if help is needed.

A building permit was granted Robert Kingsbury for \$2500 worth of repairs on a building at 606 Mercedia street. The council was informed by letter that a motor fuel tax appropriation is needed.

Two-Bit Boost In Haircut Price Starts June 1st

A general price increase of 25 cents for haircuts—except for grade school children—will start June 1, it was announced today by the Barbers Union, representing 30 barbers in 45 shops in the Quad-City area.

The new price for adult haircuts will be \$2.50, with the cost to be \$2.75 on Saturdays and the day before a holiday. A child's haircut price will remain at \$2.00, but will be \$2.25 on Saturdays. Children's rates are for youngsters in grades one through six.

Jesse Harris, president of the union, said the 25-cent boost was voted by the membership because of the recent increase in the cost-of-living index and also to undertake a pension program for barbers. The present \$2.25 price has been charged for the past two years.

Under the new price schedule, flat tops will be \$2.75 on weekdays and \$3 on Saturdays. The price for hair styling will be \$5 on weekdays and \$5.50 on Saturdays.

Council Willing To Approve Road Plan If Revised

Rte. 151 Issue Before Council Tuesday Night

Tonight's Session Is Postponed for Dal Maxwell Dinner

Council members are expected to reconsider tomorrow night or at a later council meeting an agreement between the city and the state on construction of Federal Aid Route 151.

The regular Monday night council meeting this evening has been postponed until Tuesday to permit city officials to attend this evening's testimonial banquet at the high school to honor a local son, Dal Maxwell of the St. Louis baseball Cardinals.

Possible loss of the \$2,500,000 allocation of state funds this year through the council's action of last week brought quick action from the city of Venice, where the mayor, Dr. John E. Lee, already is making a bid for the funds to get a head start on the construction of the Broadway railroad underpass, which also is to connect onto the Great River Road.

There also were remarks Friday by Mayor Partney, who commented, "Possible millions and millions of dollars of revenue and construction in our city may be sent down the political gutter by the action." He issued an appeal to Granite Cityans to support the roadway and to inform their aldermen of their views.

The Tri-City Regional Port District, which is planning another multi-million dollar revenue bond issue for further development of its harbor facilities along the Chain of Rocks canal, is anxiously awaiting the roadway to serve its prospective tenants.

Numerous inquiries on the future development of motels and other businesses along the roadway west and north of Granite City have been received by local financiers and business people, indicating future growth of the West Granite area and more jobs.

Of prime concern among Granite Cityans is the "bouncing traffic congestion along Missouri avenue and 20th street which extends through the heart of the downtown area."

For over 30 years, residents along narrow Missouri avenue have pleaded for relief from the traffic, and the new Great River Road is designed to bypass that area of the city.

Sufficient access roads (see map at bottom of front page) are to be provided to serve Granite City or anyone wishing to enter the Quad-City area.

The access roads will start to

28 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Aldermen, Ask Mathias, Ranft to Confer With State Highway Division

All Granite City aldermen hope to see the Federal Aid Route 151 project progress southward this year, it was indicated during an hour-long discussion yesterday in which eight of the 16 council members participated.

The eight said they are ready to approve an agreement authorizing the state to proceed, as soon as arrangements are made to include fencing and a two-block frontage road. They were among 11 voting May 16 to table the riverfront road agreement.

The Carl Ranft, chairman of the Tri-City Regional Port District, and Carl Mathias, president of the Chamber of Commerce of the Tri-Cities, were asked to confer with Illinois Division of Highways district officials on the proposed revisions. The conference was expected to take place this week.

With District Highway Engineer Robert Krenst leaving on vacation today, Ranft and two Port District staff members left here this morning in an effort to contact him before his departure.

Randall Robertson, Port District attorney, used maps of the highway right-of-way to review the plan at the start of yesterday's informal meeting.

Urgency Recognized
Robertson, Mathias and the aldermen present cited the importance of prompt completion of the road due to its effect on port area development, local economic growth and expansion of job opportunities.

There was general agreement that, due to a variety of factors, it would be reasonable to include a 15-foot-lean along the eastern side of the highway between West 20th street and Cayuga street.

Also called reasonable was the proposed installation of fencing along three populated areas, from the vicinity of Roosevelt avenue to the vicinity of Harding Blvd., from the Cayuga area to West 20th, and from St. Louis to Niedringhaus avenue. Assurance also will be sought for fencing from Niedringhaus south to Chicago avenue when a later phase of the highway construction takes place.

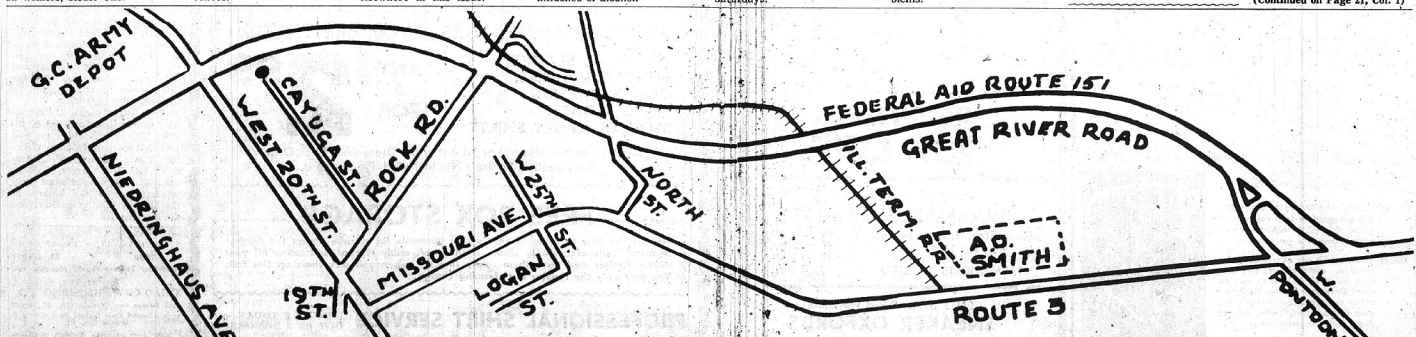

Discussion Median Width
The discussion brought out that it might be possible to provide land for the frontage road by narrowing the width of the highway median strip to the same width as that planned adjacent to the Granite City Army Depot.

The informal meeting was held late Sunday morning in the office of Granite City Township Assessor James Barton.

Aldermen present were Edmund Bartosiak of the Second Ward, Roy Pauls of the Third Ward, Claude Green of the Fourth Ward, Walter Nunn and Steve Beyer of the Fifth Ward, Gerald Parmley of the Sixth Ward, R. E. "Mickey" Robertson of the Seventh Ward and Ford Johnson of the Eighth Ward.

Others present besides the council members, Barton and Attorney Randall Robertson were Mathias; Edwin F. Reiske, president of the Granite City Chamber of Commerce.

ROUTING OF ROUTE 151 showing access roads for Granite City. Northern access road is West Pontoon, and the others are at North street, Rock road, West 20th street and Niedringhaus avenue at the entrance to the Granite City Army Depot.

The state highway department plans construction this year of an overpass at the Illinois Terminal railroad tracks west of the A. O. Smith Corp. plant and a start on grading along the right-of-way. City council members are calling for fencing along the roadway through the city and for a frontage road on the east side of the highway between West 20th street and Cayuga street.

Turn-arounds are planned for Cayuga street and for Denver street under the state program.

Ballots—And More Ballots—Problem of County Clerk in This Year's Elections

Preparations to handle a multi-
plicity of ballots in the approach-
ing June 14 primary election, and
an even greater number in the
Nov. 8 general election, were
under way today in the office of
Madison County Clerk Eulalia
Hotz who commented that the
way things are going now "I'm
afraid we may run out of colors
for the different ballots."
"If anything else comes
along," she added, "we'll have
to start using stripes and polka
dots."
Miss Hotz added, in a more
serious vein, that the tabulation
of returns in this year's elections
is expected to be the most ex-
acting task in many years.
In this year's primary election,
seven different Democratic
and seven different Republican
ballots will be distributed in var-
ious parts of the county, for
balloting by sections rather than
by the county as a whole. The
situation stems from redistrict-

ing procedure which has split up
the county's various townships
into different representative, sen-
atorial and congressional dis-
tricts.
The clerk announced at the
same time that a special ballot
also will be distributed for elec-
tion of three members of the
seven-man county board of
school trustees, two of them to
fill six-year terms and one to a
two-year unexpired term. There
is no opposition for the offices.
Willard G. Flagg, Fort Russell
Township, and Dr. F. M. Leever,
Wood River, incumbents, have
been re-elected to the six-
year terms. G. A. Shaffer, Jar-
vis Township, who has served on
the board for the past two years
by appointment is seeking elec-
tion to the remaining two years,
and seven different Republican
resignation in 1964 of Elmer
Rhrup of Alhambra township.
Separate Ballot
The school trustee ballot will
be separate from party ballots
and will be white, Miss Hotz said.
Democratic ballots in all seven
sections of the county will be
pink and the Republican ballots

Paddlers Pool Opens Saturday

The opening of Paddlers Club
swim pool will be Saturday, May
28, with operation to be from 4 to
8 p.m. while school still is in ses-
sion and from 1 to 3 p.m. after
school closes, the pool manager,
Keith Parker, announced today.
Parker said the pool will open
on that date, even if the ex-
pected facilities are not com-
pleted.
Special activities will include
instruction for all ages from
June 13 to July 2. Advance ar-
rangements for participation in
the classes may be made by
calling Parker at TR 7-2069 or
7-4104.
A meeting of the swim team
will be held at 10 a.m. on June
13 and 18 on Sept. 1, 1964. She
must be a high school graduate
by the same date and never have
been married.

Deadline to Enter Jaycees' Miss GC Contest is June 4

Granite City girls are being
offered an opportunity for fame
and fortune through education by
participating in the Miss Gran-
ite City Pageant, which will take
place here on June 25.
The local contest, a preliminary
elimination leading to the event-
ual selection of Miss America for
1966 in Atlantic City, in Septem-
ber, affords local candidates a
chance to enter the Miss Illinois
contest in July, according to Dr.
E. L. Strubbe and Edward
Gonwa, entries co-chairmen.
The Granite City Pageant will
be staged in the local high school
auditorium. To be eligible as a
contestant, prospective candi-
dates must be between the ages
of 18 and 28 on Sept. 1, 1964. She
must be a high school graduate
by the same date and never have
been married.

City Warns That Weeds Must Be Cut

Property owners in Granite
City are being warned by the
city inspectors that weeds and
other growth on lots and
grounds in the city must be
cut. City law specifies an 8-
inch limit.
If the city is forced to cut
weeds on private property a
lien can be placed against the
property for the costs of the
work.
The city has begun its ex-
tensive program of mowing
weeds and grass following the
unusual wet weather
which has produced heavy
growth, and property owners
are warned to take care
of their lots and yards
immediately.

William Kinder Joins Granite City Law Firm

nounced today. Mr. Kinder is the
son of Mr. and Mrs. Norman H.
Kinder Jr., 1929 Rhodes street,
Madison.
Kinder attended St. Louis Uni-
versity where he received his
degree of Bachelor of Science in
Commerce, and received his de-
gree of Juris Doctor from St.
Louis University School of Law.
He has been admitted to practice
in the state of Illinois.

Local Area is Considered For Specialized Workshop

The Quad-Cities area is one of five in Madison county presently under consideration for location of a production center for the mentally handicapped, according to an announcement made Tuesday evening at the annual meeting of the Specialized Services, Inc., held at Alton.

Joseph L. Riddle, specialized services executive director, announced that completion of the proposed production centers, similar to the one established at Alton, should be within the next 2½ years. He explained that his agency will secure contracts for the centers and local business and industry will be approached for work for the center trainees.

In addition to training the mentally retarded for jobs with industrial firms, the center also will serve as a permanent workshop for persons unable to "graduate" to open labor market, Riddle stated. "Professional persons will direct each center," Riddle explained. "With local people, preferably the physically handicapped, to serve as shop supervisors and training assistants."

George A. Conn, assistant executive director of the Governor's Committee on Employment of the Handicapped, was principal speaker at the meeting.

Mrs. Evelyn Gavin, president of the Granite City Association of the Granite City Association for Aid to Retarded Children, said today that a number of local businessmen have been contacted in an effort to establish a production center here.

"Cooperation from area industrial, labor and civic leaders has been excellent," she said, adding, "it appears the lack of a suitable building to house the proposed training center is the major obstacle."

Workshop Under Way On Mental Health

Volunteer supervisors and their associates from 14 mental health institutions in Illinois will gather today at Alton State Hospital for a two-day workshop on communications.

Proceedings will get underway this afternoon in the recreation hall under the guidance of Mrs. Marjorie Dintelman, Alton's supervisor, who also will discuss projects undertaken by her department.

Heading the speakers' list will be Miss Jane Phillips chief of volunteer services, Springfield, and Dr. Joseph Moag, professor in the school of business at Northwestern University.

Miss Phillips will discuss the objectives of the workshop whose theme is "Are We Telling Our story?" She will talk on guidelines for effective oral communication. His talk will follow a dinner later in the evening.

Tuesday's session will shift to the conference room in the new medical-surgical building. Several volunteer supervisors will speak on a variety of subjects, along with additional comments from Dr. Moag on preparing reports.

Dr. Endre Komlos, assistant superintendent, welcomed the conference.

Granco Announces Two Promotions

Glad O. Roberts Jr. has been promoted to director of marketing and Charles E. Eck to sales manager of the Granco Steel Products Co., nationwide distributor of steel building products, it was announced today.

F. Alan Tarkis, general manager of the Granite City Steel Co., said the promotions were part of a plan for strengthening Granco's marketing organization and customer services.

A 1949 graduate of the University of Missouri with a BS in civil engineering, Roberts started with Granite City Steel in that same year and went to Granco as a sales engineer when the subsidiary was organized in 1950. He has been manager of Granco's Chicago district sales office, product manager of galvanized roof products, assistant general sales manager and, since 1961, general sales manager. Roberts lives at 6 St. Pius Court, Florissant.

A 1949 graduate of Washington University with a BS in civil engineering, Eck also started with Granite City Steel and then went to Granco in 1950 as a sales engineer. He has been manager of Granco's Kansas district sales office, highway products manager, and assistant general sales manager. Eck lives at 561 Beaucaire drive, Warson Woods.

Granco has district sales offices in 15 cities coast to coast. Most Granco products are made of high strength corrugated steel sheets. They are welded to a structural frame and used with poured concrete in the construction of floors, roofs and bridge decks all over the United States.

St. Mary's Church Scene Of Measki-Wojcik Nuptials

Miss Sandra Marie Wojcik and John A. Measki were married Saturday morning at St. Mary's Catholic Church in Madison.

The bride is a daughter of Mr. and Mrs. Stanley Wojcik, 925 Greenwood street, Madison. Mr. and Mrs. Measki's parents, Mr. and Mrs. John Measki, reside at 2042 Thirtieth street, Granite City.

Rev. Sylvester Micek, O.F.M., officiated at the double-ring ceremony at 10 a.m.

The altar held two bouquets of white gladioli and poms. Richard Judd was the soloist.

Mr. Wojcik escorted his daughter down the white-carpeted aisle. She wore a gown of pale dove and imported Alencon lace. The gown featured a scooped neckline with a fitted bodice and long tapered sleeves.

The front was enhanced from the neckline to the hem with lace applique. The skirt, with controlled fullness, flowed into a gathered train adorned with motifs of Alencon lace.

The bride's headpiece, a rolled rose of pale dove accentuated with lace and tiny pearls secured to a bouffant veil of illusion, complemented the gown.

The bride carried an off-shoulder cascade of carnations and variegated ivy with a corsage of carnations.

Miss Yvonne Riddle of Collinsville, a cousin of the bride, was maid of honor and bridesmaids were Miss Sylvia Evangeloff, Miss Judy Ostresh, Miss Dorothy Bubala, Mrs. Edward Goddard and Miss Lorraine Jensenovic.

Junior bridesmaid was Jean McEava, and Cathy Eckhardt served as flower girl.

John Lintzevich, ring bearer, carried a pillow holding the ring.

Pete Measki, a brother of the groom, served as best man.

The wedding breakfast was served at the Rose Bowl, and a reception was held in the evening at the American Legion home in Venice.

Out-of-town guests included Mr. and Mrs. John Perak, Mrs. Myrtle Carduff and Mrs. Katie Riech, all of Chicago.

The bride, a graduate of the Madison schools, is employed as

clerk in the Recorder of Deeds office in Edwardsville.

The groom, a graduate of Granite City schools, is employed as a chemist at General Steel Industries.

The young couple will reside in Madison.

Stark-Wright Nuptials At Dewey Avenue Methodist

Altar bouquets of white gladiolus and chrysanthemums, together with palms, ferns and lighted candles in candelabra provided the setting Saturday afternoon for the wedding at Dewey Avenue Methodist Church of Miss Myrna Kaye Wright, a daughter of Mr. and Mrs. Richard B. Wright, 3213 Rodger avenue, and James Burton Stark, a son of Mr. and Mrs. Russell Mills, 2209 Edna street.

The Rev. John Amshury performed the two o'clock ceremony, and a reception was held afterward at the church.

A program of wedding music was provided by Mrs. Amshury, vocalist, and Mrs. Rita Smith, the bride's cousin, organist. Mrs. Amshury's songs were "True Love," "I Love You Truly" and "The Lord's Prayer."

For her wedding the bride chose a short ballerina length gown of Chantilly lace. The bodice featured a scalloped neckline adorned with sequins and pearls and long sleeves.

The V-waist fell into a straight panel in front and formed a cascade of tiered ruffles at the sides and back adorned with more of the sequins and pearls.

A very bouffant skirt was accented in the back with a rosette and a flower petal headpiece secured the bride's bouffant veil of illusion.

She carried an off-side cascade of stephanotis, white roses and variegated ivy.

Miss Mary Thumure, maid of honor, and Miss Sherie Gardner, bridesmaid, wore identical gowns of yellow silk over taffeta.

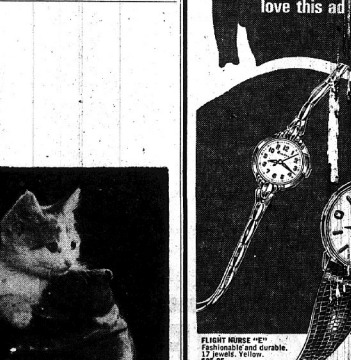

The brides had v-neckline, sleeveless, long fitted waists formed semi-sheath silhouettes with bows and streamers in the backs. Flowered headpieces trimmed with yellow held in place short veils of yellow illusion. Their flowers were cascades of yellow and white, both poms and carnations.

A little flower girl, Robin Cionko, wore an embroidered organza dress with a fitted tunic. She held a white basket of yellow flowers and petals. Larry Cionko Jr. carried the rings.

Larry Wofford was best man for Mr. Stark, and Dennis Wright, the bridegroom's brother, and Don Wofford served as groomsmen and ushers.

The bride's mother was attired in an ice blue linen sheath dress trimmed with insertions of white lace. Her hat and accessories were the same color. The photographer of the bridegroom appeared in

Warriors Enter Sectional On 35-Shutout-Inning Streak

Granite City's Warrior baseball team, not entirely satisfied with its four consecutive shutout victories in district and regional state baseball tournament games, notched still another no-run game Friday in downing Belleville 4-0.

The Warriors, clicking in every department, ended their conference slate at 6-6 in the game at Belleville. They are 26-8 with one tie overall, and have notched 35 consecutive shutout innings.

But the metal of the Warriors will be put to the test today at 4 p.m. The sectional meet at Stanton will find Fedora's squad facing another shut-out-minded team—Quincy senior high's Blue Devils, now on a 29-shutout-inning streak of their own.

Quincy Record 15-1
The Blue Devils, not conference-affiliated, are 15-1. They have only a single no-run shutout win in state tournament play.

In a first-round district 5-1 win, Barry scored its only run against Quincy in the first. Subsequently, Quincy beat cross-town rival Christian Brothers 3-0 and then scored a 12-0 second-round regional victory over Pittsfield.

On Friday, the Quincy aggregation locked into a 15-inning mound duel between Jacksonville's Rich Coble and the Blue Devils' southpaw stand-out, Alan Bush. Both pitchers went all the way as Quincy won 1-0 in the bottom of the thirteenth.

Fans 28 in One Game
Bush, now 6-0, allowed only two hits, walked but two batters and struck out 28 in the 13 innings. A trio of Jacksonville's top-of-the-order hitters fanned each of the five times they faced Bush.

Quincy's team is fast. It record shows 27 stolen bases. Centerfielder Elliot Bruner, who led off the Blue Devils' 19th with a triple, has swiped nine bases. John North has stolen six bases and Bill Buckner five.

In addition to Bush, coach Gary "Zeke" Zbomak has another 6-0 lefthander in the person of Greg Washington. His next two hurlers, Joe Gileys and Reth Stollberg, both right-handers, have notched only three wins and Gileys has one defeat. Greg Wheeler, a powerful right-hander, is a mop-up man.

Fifth Straight Shutout
In the game at Belleville Friday, the Warriors did all their damage in the fourth. After Greg Patton reached first on an error and advanced on a wild pitch, Paul Kacera drew a walk. Carl Benson, running for Kacera, was safe at second when Charlie Col-

ins loaded the bases by hitting into a muffed fielder's choice. With the sacks loaded, Bill Cox singled Patton home. Jim Hackney followed with another single to score Benson. Rick Turpenoff, aiding his own cause, was safe on a fielder's choice on which Collins scored. The bases were still loaded with one out.

Dana Lakatos hit a sacrifice fly, scoring Cox. When Larry Ripka grounded out, the inning was over, but the four runs were more than enough.

Belleville's five hits were well spaced that they never caused a threat. Only one warrior got as far as second base against Turpenoff.

State Champs in '48
Diamond prognosticators are recalling that Granite City high school was state champion in 1948 and state runner-up in 1951. In 1964, the Warriors were beaten in the state sectional 2-1 in the ninth inning by a Springfield Griffin team that went all the way. Last year, the Warriors won no further than their district loss to Collinsville.

Fedora, set with his infield but could make outfield adjustments against what is certain to be Quincy porters—Washington, if Bush is tired.

As for Warrior pitching, Fedora, with all right-handers, is calling on Tom Stitt. He leads the staff with losses at 5-4, but in 43 1/3 innings he's struck out 51 and has a 1.29 ERA.

Stitt, also best lefthander and holds a respectable 2.87 average. In the wings, the Warriors have Tom Rains, 8-2 and staff workhorse with 3 1/2 innings. Rains has the crew's latest ERA at 2.39 and leads in bases on balls. But he has 62 strikeouts.

Turpenoff is now 4-1. In his 33 1/3 innings he has fanned 25 and walked seven and has a 1.98 ERA with 23 strikeouts in his 19 innings. He's 2-0.

If Granite City wins today, it will face either Springfield high, Benson, running for Kacera, was safe at second when Charlie Col-

HUNDREDS OF SMALL BALLPLAYERS gathered at Wilson Park Saturday afternoon following the season's opening parade as Granite City park district officials prepare for the opening ceremony, appropriately conducted on a ball diamond.

Over 213 Teams In Quad-Cities Diamond Action

If anyone spots an unoccupied ball diamond anywhere in the greater Quad-Cities area, the chances are it's soon to become overrun with two of the more than 213 teams involved in diamond activities this summer.

In baseball, softball and boy's baseball, the 200-plus teams are part of a dozen various programs centered in or connected with the local community.

In baseball, the Inter-City League contributes 10 teams of which three are local clubs. Legion Post 113 is a 12-team Zone 5 American Legion program. The metropolitan area's Senior Khoury League has eight teams including one each from Granite City, Madison and Venice. And Granite City has a club in the ten-team Macoupin County Khoury League.

Softball activity revolves around four programs. At Wilson Park 10 men's teams and four girls' clubs are playing. Cahokia-Venice is one of the eight girls' teams in the Girls' Twilight League. The Taverna League boasts six teams. And the eight teams in the Quad-City Church League, headquartered for diamonds, are organized and ready.

Boy's baseball involves four programs, most ambitious of which is the 70-team Wilson Park activity. There are 19 teams in the Nameoki-Pontoon Little League and eight in the Mitchell boy's program. The Madison-Venice boy's baseball league will include about 25 teams.

There won't be many diamonds idle for long.

Madison-Venice Boy's League Hold Meetings

Friday is the deadline date for filing applications for teams at a meeting in the Madison-Venice boy's baseball program.

An umpires meeting will be held in the Venice Park office tomorrow night at 7 p.m. All umpires who have indicated they will work with the league are to attend as well as anyone who is willing to volunteer for umpire work.

The program directors will have another meeting Wednesday night at the Madison memorial center, Seventh street and Lee avenue as plans for the summer program continue to be mapped out.

VARIOUS FORMS OF MARCHING are illustrated by members of the Impala team who were in the Granite City park district boys' baseball parade Saturday. The parade started on Madison avenue at 24th street and went to Wilson Park.

Chief Spoil Braves Crown Tying Hopes

Prather's Chiefs proved to be a pesky crew Friday as they knocked Coolidge out of an opportunity to tie Madison county junior high school conference leader Edwardsville. The Chiefs defeated the Braves 3-1 on the Coolidge diamond.

The Braves defeated Edwardsville Thursday and had they defeated Prather, would have been 4-1 with a chance to conquer Roxana and tie with Edwardsville. With Coolidge now 3-2 they won't play the Roxana game.

In Friday's game Prather went out in front in the first inning after Mike McGovern singled to advance Roger Lawe who had reached base on a being hit by a pitch. A double steal put Lawe across the plate.

Coolidge tied things in their sixth. Miles Pekarik walked and pitcher Gary Simpson reached first on a fielders choice. Pekarik, on cool, scored on an out-fielder error.

It was in the top of the eighth when Prather took advantage of Simpson's second winging of a batter. McGovern and Larry Pirtle, who gave up only two hits and struck out 12 in the contest, singled. Larry Pirtle was nicked by the pitcher and Leonard Fowler smacked a two-RBI single.

In Thursday's game at the visiting Braves gave Edwardsville its first Madison junior high conference defeat. Jim Becker's 11-strikeout hurling and solid hitting produced a 7-1 score.

Rich Logan doubled with the bases loaded in the big fourth inning for the Braves before Edwardsville collected a lone tally in the bottom half of the frame. In all, the Braves pounded Edwardsville for six hits.

Instead of throwing out the traditional first ball, Mayor Paul Schuler introduced Mayor Worthen, Hagnauer and Col. Armstrong took the field. With the mayor at bat, Hagnauer caught and Col. Armstrong umpired, it took a few fast ones from Pitcher Worthen before the mayor connected soundly with the ball to officially open the season. Team members then dispersed to pre-assigned diamonds to play their first games.

Maxvill Dinner Tonight At High School Cafeteria

Upwards of 200 people are expected to attend a dinner at 6:30 tonight honoring Granite City's Dal Maxvill. Local residents of the Granite City high school cafeteria.

Tickets will be available at the door.

The 27-year-old Maxvill, who sports number 27 on his St. Louis baseball Cardinal uniform, returned here with the team from Cincinnati after its game yesterday. The squad will have an eight-game home stay.

Dal, slight of build on his 5' 11", 160-pound frame and an inspiration for less than average physically endowed youngsters, is a reserve shortstop and second baseman on this year's team. He is regarded as one of the best defensive infielders in the major leagues, and started fielding at shortstop for the Cardinals in the pennant and won the world series in 1964.

Maxvill 'Night' June 19

The affair tonight is fund-raising preliminary to a special "night" honoring Maxvill at the new Civic Center. Busch Memorial Stadium in St. Louis June 19, will have many notables and

personalities from the sports community in attendance.

Mayor Donald Partney has a scheduled regular meeting of the city council, normally set for Monday night, so that the aldermen can attend. The council will meet tomorrow night.

Cardinal General Manager Robert Howsam will head a delegation of Maxvill's Red Bird contemporaries. State Auditor Michael J. Howett, vacationing in the West, is flying in to serve as guest speaker.

Formal outline of the program has Randall Robertson emceeing, the invocation by Rev. Paul Sims, president of the Tri-City Ministerial Alliance followed by the dinner itself.

After the meal there will be a welcome to Dal Maxvill by Mayor Donald Partney and a short talk by Cardinal general manager Robert Howsam and Red Bird manager Red Schoendienst. Following this Dal will give a short speech.

Representative Lloyd "Curly" Harris will then introduce the main speaker, State Senator J. B. Howett.

Maxvill, noted for his polite and modest manner, has been

honored before by his hometown admirers. His is an inspiring image for youngsters both on the field and off.

Electrical Engineer

A graduate of Washington University, he holds a degree in electrical engineering and works in the off-season for an electrical manufacturer, the Buss Fuse Co. in St. Louis.

Maxvill started his playing career here in the Khoury League with the Salvation Army team. After starring with the Granite City high school Warriors and at Washington U., he went into the Cardinal organization at Winnipeg in 1960.

He arrived with the Cardinals in 1962 by way of Tulsa and Charleston and returned to the varsity following a brief farm stint in 1964 at Jacksonville and Indianapolis to star on the world championship club.

Beginning Tuesday, tickets for the Dal Maxvill Day game at Busch Memorial Stadium on June 19 will go on sale. They can be purchased at Fleishman's, Graham's Book store and at the park district office. The price is \$2.50 each.

CHARLES DALLAS MAXVILL, Granite City's favorite St. Louis Cardinal player, who will be honored tonight with a testimonial dinner in the Granite City high school cafeteria.

American Legion Baseball Season To Open May 30

A dozen teams limited to 16 players and divided into two divisions make up the 1966 Zone Five American Legion Baseball League, of which Tri-City Post 113 is a member.

The team, co-sponsored by First Granite City Savings & Loan, is made up of boys from the Granite City high school. Joe Summers is athletic director of the Post, 113 programs.

A 16-game schedule for the league is set to open with Post 113 visiting Highland for a double-header exhibition May 30. Outcome of the Warriors' involvement in state tournament play may affect this date and a slated return contest with Highland June 4.

Teams in the league, their coaches and playing sites are as follows: Division A — Granite City, Bill Turpen, Wilson Park, diamond No. 1; Highland, Wayne Wirtz, Highland high school diamond; Glen Carbon, Albert Richer, behind fire hall; Alton, E. 4-3 Victory for Mercer

With the exception of one run on an error, Marv Brokaw highlighted play in the Inter-City League Sunday. At Wilson Park, fanned becoming one of Thompson's nine strikeout victims, and Corey hit into a fielder's choice.

Home lost 3-1 to East St. Louis Harper as the losers collected only four hits.

Collinsville Molitor was the team with highest scoring ideas as it bombed Polish-American War Veterans of East St. Louis 13-1. East Alton's Bob Kasten pitched a two-hitter to beat Troy 3-1, and Puchontas shut out Maryville 2-0.

Effective defense on the part of Hearts-Liberty Home hurler Adrian Rains gave up 11 hits. The Hearts attempted a rally in their half of the seventh but it fell short by two runs. Again, pitcher got into the hitting act, off quickly. After Dick Dietrich singled his own house with a single, Jack Eschenfelder walked and Vetter blazed a single off Rains that scored Dietrich and Eschenfelder.

Have League: Will Travel

Church League Set; Needs Place to Play

Eight softball teams making up the Quad-City Church League are all set to begin their 1966 season, but they have a problem. No place to play!

"We're going to play somewhere," said Harold Waters, who has been at the front in organizing the league this spring, finding diamonds has become a real headache.

The league schedules its games on Tuesday and Thursday at

6:30 p.m. Age limit for players is from 15 on up. The teams are limited to 10 players, rosters, and they play slow-pitch softball.

The league is divided into two divisions, Blue and Black, and each team plays ten games during the season.

Making up the Black Division are the following teams and their managers: Evangelical United Brethren Church, James Corbett; Nameoki Methodist, Frank Carroll; Suburban Baptist, George Cook; and Third Street Baptist, Don Crabtree.

Teams in the Blue Division and their managers are: Pontoon Church of Christ, Jim Richardson; First Church of God, Jerry Stone; St. John's Lutheran, Harold Gebhardt; and Madison Baptist, Wilson Jones.

"Like every other league, it seems, the Quad-City Church League needs umpires. Those interested can call Harold Waters at GL 2-7300, Ext. 493, or TR 6-5322.

Tavern League to Meet

A tavern league meeting will be held at 7:30 p.m. tomorrow at Ernie and Annie's tavern, 935 Niedringhaus avenue. Items to be discussed are playoff, trophies and a rain-out schedule.

MEMORIAL DAY

On This Day, As We
Pause in Silent Memory...

It is our privilege, on Memorial Day, to honor our dead who so courageously gave their lives on the battlefields of distant lands that our great democracy might be preserved. National recognition of their bravery and sacrifice is the only fitting way to show our gratitude.

Committeeman Contests in Spotlight of Primary Campaign

Grant Store Matches DECA Scholarship Fund

Truck Backs into Auto

A truck driven by Kenneth K. Motes, 1712 Grand avenue, accidentally went into reverse and caused it to back into the front of an auto driven by Michael P. Toudas, 1801 Pontoon road, at 11:35 a.m. Thursday at 1800 Adams street.

Drivers' licenses for three Quad-City motorists were suspended by Secretary of State Paul Powell for reason of three traffic violations. It was reported Friday at Springfield. The suspensions are for Louis E. Lachner, 246 Woodlawn avenue; Larry L. Martin, 2118 Iowa street; and Thomas R. Wood, 920 McCambridge avenue, Madison.

The Nameoki school band, accompanied by nine chaperones and Band Director Joseph Owens, last week attended a concert by the U.S. Navy Band at Monticello college in East Alton. The Nameoki band is made up of pupils from Nameoki, Frohardt, Maryville, Mitchell and Niedringhaus schools.

Spirited contests for Democratic precinct committeemen posts in nearly half of Granite City's 32 precincts will highlight the June 14 primary election in what obviously has become a trend toward new political alignments within the township and city governments.

Forty-seven candidates are seeking election to the 32 committeemen jobs, with contests in 14 precincts. Thirteen incumbent Democratic committeemen are candidates for re-election without opposition. Committeemen are elected to office in the primary holding every two years.

Political observers claim it is too early to pinpoint political sympathies of many of the candidates, some of whom have entered the political arena for the first time, but admit that as the election draws nearer the candidates will line up with one of the two Democratic factions — the city administration and anti-administration groups.

Filings for the committee posts show contests in Granite City precincts 4, 6, 8, 10, 11, 14, 16, 19, 20, 23, 26 and 31. In eight of these, incumbent committeemen are opposed by one candidate. There is only one instance of a three-man contest—in precinct 19 where the incumbent, Robert L. Kelly, is not seeking re-election.

Incumbents Opposed
Incumbents who have opposition include John M. Winkler, 2114 Washington avenue, who is opposed by B. J. "Bill" Mith of 2132 Iowa street, in precinct 19.

In precinct eight, incumbent committeeman Alfred E. "Gene" Frith, 2239 Missouri avenue, has opposition from Robert "Bert" Wofford, 2215 Dewey avenue, who is in precinct ten incumbent Steve Ortiz of 1744 Maple avenue has opposition from Jack Varadani, 21 Niedringhaus avenue. In precinct 11, Weldon C. Burch, incumbent of 2518 Iowa street, is opposed by Stan Klatkowski, 2413 Jerden avenue.

William Warfield, Democratic committeeman of precinct 18, city street superintendent and chairman of the Granite City Demo-

cratic City Central Committee, has opposition from Bobby Neuh, 2006 Ryeon avenue. Warren field lives at 2945 Warren avenue. Another incumbent, James "Red" Worthen, 3234 Aubrey avenue, has opposition in precinct 20 from Jack E. Fricker, 3156 Myrtle avenue, while in precinct 19, incumbent, Robert L. Kelly, 3219 Fair Oaks drive, is opposed by Allan S. Weiss, 1737 Pinegrove avenue.

Incumbent C. Lancaster, 3801 Franklin avenue, incumbent Democratic committeeman in precinct 23 is opposed by Sam W. Wolf, 21 Bermuda Lane. Nelson Hagauer, 2708 Saratoga avenue, supervisor of Granite City Township and incumbent committeeman of precinct 28, has opposition from William W. Cedor Jr., 2920 Madison avenue.

Parties vs. Gasparovic
Contests in precincts where incumbents are not seeking re-election include precinct six, where election is being sought by David Partney, son of the mayor, and Andrew Gasparovic Jr., 2150 Edson avenue, former Granite City magistrate. Partney lives at 2018 Benton street.

Incumbent committeeman of precinct six, who is not seeking re-election, is Roy "Chicken" Poulson, 2133 Benton street, a member of the city council. In precinct 14, the post is sought by Patrick G. Malcor, 2845 Washington avenue, and Earl "Buzzy" Jarrett, 2812 Iowa street. Outgoing committeeman there is Richard Allen, now city attorney, William J. "Bill" Harrison, 739 Twenty-seventh place,

and Guy Cooper, 2401 Adams street, are seeking the precinct 15 post, where incumbent John Zikovich, 2429 Clinton street, is not seeking re-election. Bobby Ming, 3029 Ramona drive, and Edward Walck, 2827 Sunset drive, are seeking the precinct 19, the only three-man race in the election.

Opponents in precinct 31 include Mike Meanski, 2809 Sunset drive, and Joseph Novosel, 2566 Spaulding avenue, who are seeking the post to be vacated by Thomas Sam Seacig, incumbent of 2539 Pontoon road, who is not seeking re-election.

Have No Opposition
Candidates without opposition are:

Precinct one, Frank J. Fuzessary, incumbent, 1430 Madison avenue; precinct two, Frank "Fritz" Baranica, incumbent, precinct three who has moved to 1928 Grand avenue; precinct three, Mrs. Virginia O'Beary, 2101 Thirteenth street; precinct five, William M. Jenkins, incumbent, 1518 State street; precinct seven, Sam Whitmer, 2321 State street, city council member; precinct nine, Paul R. Slover, incumbent, 2716 Roosevelt avenue; precinct 10, Cherry Everett Morlen, incumbent, 2668 East 24th street; precinct 11, Mrs. J. B. Buerkle, incumbent, 2030 Cleveland blvd.; precinct nine, Robert Diehl, 2915 Harding avenue; precinct 14, Mrs. Lily P. Chaboude, incumbent, 2855 Ralph street; precinct 15, Richard W. Cope land, incumbent, 2870 State street; precinct 17, Sam L. Meyer, incumbent, 2832 Yale drive; precinct 19, Marvin L. McGee, 2920 Dale avenue; precinct 20, LeRoy F. Frisbie, 1899 St. Clair avenue; precinct 23, Charles W. Barth, incumbent, 88 Riviera street; precinct 24, James O. McCabe, incumbent, 2112 Lynch avenue; precinct 26, Roy M. Lynn, incumbent, 2656 State street; precinct 27, Sam U. Shackelford, incumbent, 2914 Palmer avenue; precinct 28, Wilbur E. Bagby, 3024 Edgewood drive, and precinct 29, George W. Birdsong, incumbent, 2708 Cayuga street.

On the Republican side, there appears little interest in the precinct committee races. In Granite City's 32 precincts, candidates have filed for only 15 of the precinct posts. This will leave 17 posts that can be filled by appointment by the Republican City Central Committee.

There is not a single contest in the 15 precincts in which candidates have filed. This means election by default for the 15 candidates, eleven of whom are incumbents.

Those seeking election or re-election in the Republican election include:

Precinct two, Walter J. Emde, incumbent, 1249 Niedringhaus avenue; precinct four, John B. Moss, incumbent, 2012 Omaha street; precinct six, Fred C. Buerkle, incumbent, 2030 Cleveland blvd.; precinct nine, Robert Diehl, 2915 Harding avenue; precinct 14, Mrs. Lily P. Chaboude, incumbent, 2855 Ralph street; precinct 15, Richard W. Cope land, incumbent, 2870 State street; precinct 17, Sam L. Meyer, incumbent, 2832 Yale drive; precinct 19, Marvin L. McGee, 2920 Dale avenue; precinct 20, LeRoy F. Frisbie, 1899 St. Clair avenue; precinct 23, Charles W. Barth, incumbent, 88 Riviera street; precinct 24, James O. McCabe, incumbent, 2112 Lynch avenue; precinct 26, Roy M. Lynn, incumbent, 2656 State street; precinct 27, Sam U. Shackelford, incumbent, 2914 Palmer avenue; precinct 28, Wilbur E. Bagby, 3024 Edgewood drive, and precinct 29, George W. Birdsong, incumbent, 2708 Cayuga street.

Melvin L. Gilie, manager of the W. T. Grant store in the Nameoki Village shopping center, said today the Grant Charitable Trust is holding in reserve a \$50,000 grant to the Distributive Educational Club of American scholarship loan fund.

Gilie said that the amount will be held in reserve for DECA scholarships and matched dollar for dollar for every dollar raised by the National Distributive Education Clubs of America for its scholarship loan awards program.

In 1962, the Grant Charitable Trust had contributed a similar matching fund donation of \$55,000 that aided 79 DECA students to continue their college education.

Gilie said the DECA scholarship award is not an outright gift to students. The amount of each award is based on merit and financial need, given with the understanding that should the student prosper in the future he or she will reciprocate in the DECA program.

"We in business admire the willingness of DECA students to help themselves; to recognize the tremendous opportunity exists for those willing to work hard for it," Gilie stated. "That is why we in the Grant Co. and other retail and marketing companies back the DECA program to the hilt."

Truck Hits Parked Car

The left rear of a parked car owned by Albert Payne, 2202 Missouri avenue, was "creased" Friday morning when it was struck by a large truck-crane being operated north on Missouri avenue by Otto Johnson, 2017 Clark avenue. Payne's auto was parked in front of his home.

Mrs. Mildred Sparks, 51, Dies of Cancer

Mrs. Marie Mildred Sparks, 51, of 2638 East 27th street, a lifelong resident of the Quad-Cities, died of cancer at 9:20 a.m. Friday at her home. She had been ill the past 18 months.

Mrs. Sparks was born in Venice, where she had lived until moving to Granite City 32 years ago. She was a member of Sacred Heart Catholic Church.

Survivors include her husband, Thomas O. Sparks, a yardmaster at General Steel Industries; one son, Thomas C. Sparks, Granite City; three daughters, Mrs. Walter (Jeanette) Wilson and Miss Deborah Sparks, both of Granite City; and Mrs. Thomas (Carolyn) Adamits, Collinsville; a sister, Mrs. Robert (Margaret) Hughes, 2150 S. Main street, St. Louis; and five grandchildren.

Funeral services were held today. Arrangements are given in today's obituary column.

Drives Auto into Park

Frederick Hacke Jr., 2013 Lindell blvd., driving north on State avenue, forgot that it ended at 27th street. At 1 a.m. Friday, his auto jumped the curb and stopped in Wilson Park. The wheels and tires of the auto were damaged.

Parked Auto Struck

A parked car owned by Peter Sanjakovic, 4075 Vassar avenue, was struck by the left rear by an auto driven by Earl J. McCarroll, 2608 Lynch avenue, at 4:20 p.m. Thursday at Vesel and Lynch avenues.

Bus Driver in Two Crashes Faces Charge

A charge of making an improper right turn was placed against William Lutz, 15 Mendota Lark court, a driver of a Bi-State Transit school bus, who was involved in two minor accidents within 40 minutes Friday afternoon. The charge was filed after the second mishap at 20th and Adams streets.

The first accident at 3:30 p.m. was at 20th street and Grand avenue where she was going west on 20th and making a left turn and scraped the left rear of an eastbound auto driven by Elizabeth Rohlfing, 2133 Washington avenue. The left side of the bus was damaged.

The mishap at 20th and Adams street occurred at 4:10 p.m., none of the nine school children on the bus was hurt. The bus was making a right turn on Adams, and according to police, hit the left front of a southbound auto operated by William Provence, 6510 Nameoki road, who was stopped for traffic. The right side of the bus was damaged in the second crash.

Hits Parked Car

A car driven by Predester Aaron, 46 Lee Wright Homes, Venice, struck a parked car owned by Eddie L. Murphy, 1010 College street, Venice, in the 300 block of Second street in Madison at 3:15 a.m. Saturday. Aaron's car was damaged in the right front and Murphy's car in the left rear. Police charged Aaron with driving without a driver's license. He was released on notice to appear in magistrate's court.

Obscene Words on Walls

Obscene words were written by vandals on the walls of each room of a vacant house at 2230 Edison avenue owned by Virgil Klaus, Highland, he reported at 7:20 p.m. Thursday. There was no sign of forced entry.

About this Question:

"Fire loss in the United States rose in 1965 for the sixth straight year to a new \$1.5 billion high. Extended coverage losses soared from \$1.2 to \$1.7 billion. Does this suggest that insurance be periodically increased to full value, to avoid disastrous losses from various kinds of insured destruction?"

Wall Rebuilding Planned at Dunbar

The east wall of the old Dunbar school is to be rebuilt in connection with the school addition project now under way according to a change order approved by the Madison board of education last week.

The work will be done by the L. Wolf Co., project contractor, at a cost of \$1,895. Wensel Brown, superintendent of schools, said the wall is listing at an angle, has loose bricks and could fall on the new addition.

Brown reported that construction is advancing well at the Dunbar project but is at a standstill at the high school addition, as contractors are awaiting the arrival of steel.

Two other change orders were approved upon the recommendation of architect Virgil Dulgeroff for the high school project. Connections of science lab equipment, including traps, will be made at a cost of \$120, pared from about \$240, and additional wiring will be included at a cost of \$388.

Teaching Changes

In other actions, the board: Accepted resignations of Mrs. DeLoise Norsworthy, second grade teacher at Blair school, and Mrs. Norma Lesko, second grade teacher at Harris school, effective at the end of the school year.

Transferred Mrs. Susan Dragich from third to second grade teacher at Harris school and Mrs. Janice Parison from Louis Baer school to third grade at Harris.

Employed Elmer Jones of East St. Louis, a Southern Illinois University graduate and a Madison substitute teacher, as full-time teacher of the seventh grade at Dunbar school, and Miss Rosie Fields of East St. Louis, an S.U. graduate, as fourth grade teacher at Harris school to succeed Mrs. Pansy Hall, who will be the first grade teacher at Blair school.

Heard a report from Brown on teacher salary negotiations, which he said made no progress following night sessions.

Authorized the school band to play in the Memorial Day parade Sunday.

Insurance Survey

Hired the Marshall-Stevens firm to make an insurance survey, the first in 10 years, at a probable cost of \$300 to \$400.

Named the General American Insurance Co. as an agent in school building and contents insurance programs.

Approved a report from treasurer Ray Kozielec showing balances of \$245,575 in the educational fund, \$9477 in the lunch fund, \$384,266 in the 1966 building fund, including \$555,000 under investment, \$21,413 in the building fund and \$35,842 in the bonds and interest fund for a total of \$886,564, including the investment.

Approved educational salaries for April of \$90,920, including withholding of \$23,574; lunch salaries of \$2,315, with \$797 as withholding; and April bills of \$13,060 from the educational fund, \$3,924 from the building fund, \$50,132 from the 1966 building bond account and \$4096 from the lunch fund.

Vocal Music Convocation Tomorrow at SIU-SW

The Women's Glee Club and Male Chorus at Southern Illinois University-Southwestern Campus will present a music convocation at 3 p.m. tomorrow in the courtyard of the Peck classroom building, Leonard Van Camp, SIU-SW director of choral activities, will direct the program, which is open to the public without charge.

The glee club will perform a series of American folk songs and mountain ballads, while the chorus group is to present a madrigal, composed in 1600, and works dating back to the 17th and 18th centuries.

ALL EYES ARE ON HER FINGER

A woman likes to show her engagement ring. It is a way of displaying her pride in you and of telling her friends she loves you. Shouldn't that ring then be the finest you can afford? Mind you, we didn't say the finest in the world. But you are entitled to a few measures of quality for your money. And you can count on us to see that you get it.

DEBRIS AND HIGH WEEDS, which created an eyesore in the Nameoki area, being cleared from a vacant lot by Cub Pack B, sponsored by St. Elizabeth parish school, as part of the Quad-Cities "Clean up, Paint up, Fix up" campaign. Between 30-40 Cub Scouts, aided by their den mothers, spent three hours on the project, supervised by Cubmaster Ralph Ely.

JOINT COOPERATION between Quad-City industries and city officials during the current "Clean up, Paint up, Fix up" drive is illustrated by Dow Chemical Co. employees (left) and Venice city maintenance crew and officials (right) as the two groups prepare to clean and paint fencing around the Venice industrial plant.

Clean Up, Fix Up Drive Goes On

Many Improvements Do Not Up Tax Value

Although the Quad-Cities two-week clean up, fix up, paint up campaign has ended, community leaders are pointing out that extensive rain stalled many tasks planned by householders and business people, and they urge continued participation in the program.

To encourage the "perpetual continuation," James W. Barton, Granite City township tax assessor, advised the sponsoring Tri-Cities Chamber of Commerce that there are many phases of improvement programs that will have no bearing on property assessments, as they are considered maintenance.

"Normal maintenance and repairs," Barton said, "do not increase the assessed valuation of property. Good maintenance not only preserves the investment a person has in property—both residential and commercial—but keeps light from gaining a foothold in a neighborhood."

(Non-Taxable Improvements)

Examples of property improvements that will not increase assessed valuations, listed by Barton, are—

Adding or replacing gutters or downspouts, placing siding over existing siding, repairing or replacing sidewalks or driveways, repairing truck platforms or steps, repairing canopies, storm doors or windows, repairing or replacing fences.

Replacing existing masonry, repairing or altering roof, adding or improving lawns or trees or shrubbery, painting or decorating or changing exterior ornamentations, installing awnings or screens, repairing or replacing window or door openings modernizing lobby entrances.

Interior Work

Interior work that will not boost valuations are—

Rewiring electrical systems or modernizing fixtures, replacing plumbing fixtures if not part of a complete modernization, replacing heating units, adding

partitions for closets and storage areas excluding conversions, installing automatic hot water heaters, replacing old cement or wood flooring or plaster or painting.

\$430,167 General Fund Income Last Year in Madison

General fund income obtained by the city of Madison for the fiscal year totaled \$430,167 from all sources, including corporate tax receipts of \$133,718, according to the annual financial statement completed last week.

General fund disbursements totaled \$400,177, including \$119,244 by the police department and \$89,145 by the streets and alleys department.

There was a balance of \$29,989 at the end of the fiscal year. The previous balance was \$9988.

Other balances available May 1 included: library fund, \$9374; police pension fund, \$22,374; corporate bond fund, \$2986; two percent fire insurance fund, \$7030; mayor fuel tax fund, \$48,336; playground and recreation fund, \$4212; special revenue fund, \$16,209; and special improvement fund, \$424, for a total balance of \$142,139.

Police Pension Audit

A police pension audit showed receipts totaling \$44,597, including: May 1, 1965, balance of \$17,669; rates of \$18,630; salary deductions of \$5732 and interest of \$3125 for a total of \$44,597.

Disbursements were: widow's pensions, \$10,590; police pensions, \$8020; filing fees, \$25; clerk services, \$300; salary deduction refund, \$3629; and supplies, \$10, for a total of \$22,533.

The \$22,374 balance does not include investment accounts totaling \$70,000, bringing actual balances of \$92,374. Copies of the report were forwarded to the pension division of the Illinois Insurance department in Chicago.

Improvements which would show an increase in property values would be the adding of a porch or rooms to existing structures, replacing siding with masonry veneer or face brick, new carports or garages that are not replacements and the adding of additional square footage to commercial establishments.

Installing exhaust fans and painting, plastering, redecorating or retrimming windows and doors.

Man Faces Three Charges

William F. Garrett, 38, of the Pontoon Plaza apartments, was charged with battery in a complaint filed by his wife after he was taken to the police station in Granite City at 3 a.m. Friday by a state trooper on charges of driving without a license and running a red traffic light. He pleaded not guilty to the three charges and was released on \$425 cash bail pending a hearing.

Woman Falls, Injured

Mrs. Edith Arbogast, Rural Route One, was injured when she caught her heel in a grate on a walk at a downtown parking lot and fell at 12:45 p.m. Thursday. She was taken to St. Elizabeth Hospital where x-rays were taken.

Divorce Granted To Granite Citizens

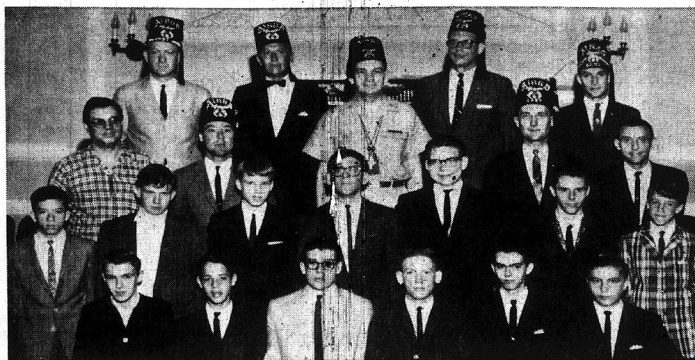

Judith Joyce of Granite City obtained a divorce from Dennis Joyce, also of Granite City, in a decree signed last week by Associate Judge Austin Lewis in the local division of circuit court.

They were married July 7, 1961, in Granite City. Cruelty was charged. Custody of one child was granted to the mother. The father was ordered to pay \$100 per month child support.

Four Hubcaps Stolen

Larry Lane, 3240 Wayne avenue, reported Thursday afternoon that four hubcaps had been stolen off his 1965 auto at his home.

Madison county has netted more than \$1,060,000 from the state since putting it into effect Oct. 1, 1959. Biggest year was 1965, with a \$197,715 total.

INITIATORY DEGREES conferred on 13 candidates of the Barney W. Collins Class at the Masonic Temple. First row, left to right—Randy L. Sutton, Craig L. Maer, Richard Grotenfeld, David M. Stagg, Joseph A. Mercer Jr., and Daniel E. Abing. Second row—Martin W. Douglas, Ronald C. Brown, Eric R. Johnson, Larry L. Stawar, Michael W. Norton, William R. Barnhart Jr., and Larry G. Ross. Third row—Noble Howard L. Prevett, excellent high priest, Granite City Chapter 221, Royal Arch Masons (sponsoring body of DeMolay Chapter); Noble Frank Green; Noble Russell P. Strange, colonel Air Force ROTC and professor of Air Force Aerospace studies at the University of Illinois; Noble E. Gene Ross; Noble C. Eugene Ebling. Back row—Noble Jack A. Dempsey, treasurer, Tri-City Shrine Club; Noble Harold Coy; Noble Roger Wade; Noble Louis Mariette, vice-president Tri-City Shrine Club.

Collide in Venice

Autos driven by Wedell H. Watson of Brooklyn and Estelle Bone, 506 Fourth street, Venice, were damaged at 6:30 a.m. Friday in a collision at Fourth and Granville streets in Venice. Police reported both cars were going north on Fourth street and collided as the Bone car made a left turn onto Granville.

Measles Epidemic In State Averted

A measles epidemic of major proportions predicted for this spring throughout the state has been averted, it was reported this week by Dr. Franklin D. Yoder, director of the Illinois Department of Public Health.

"Due to the wholesale cooperation of local health departments, private physicians and parents in utilizing the measles vaccine, it is estimated that about 30,000 cases of measles were averted this past season, as compared to the reported cases in the last epidemic year, 1958," Dr. Yoder said.

"If each child were immunized in the first year of life, measles and its complications would be virtually eliminated," Dr. Yoder added.

DeMolay Class of 13 Candidates Initiated

Senior officers of Granite City Chapter Order of DeMolay conferred the initiatory degree on 13 candidates last week at the Masonic Temple.

Members of the class are William Barnhart Jr., Ronald Brown, Martin Douglas, Daniel Ebling, Richard Grotenfeld, Eric Johnson, Craig Maer, Joseph Mercer, Larry Stawar, David Stagg and J. Michael Norton, Larry Ross.

The class was named in honor of Barney W. Collins of Mexico City, Mexico, Imperial Potentate of the Shrine of North America. This group of DeMolay's is one of many classes who are being named in his honor throughout the world.

Col. Russell P. Strange of the University of Illinois, where he is commander of the Air Force ROTC and professor of the Air Force Aerospace Studies, addressed the DeMolay and their guests on "The Military Man in Space."

His talk was illustrated by color film and slides. A Shrine from Ainsd Temple in East St. Louis, Col. Strange is also a recipient of the DeMolay Legion of Honor and a Senior DeMolay of the Granite City Chapter.

Guests were Master Masons and members of the Tri-City Shrine Club.

The class members will receive their DeMolay degrees June 7.

Advice on Medicare By Gov't. Agency

Persons who become 65 years of age this May should report to the Social Security office immediately if they wish full protection of Medicare when it becomes effective July 1, it was reported Friday. This applies even if the person is on a full-time employment or if the person never has worked under social security.

There is a seven-month enrollment period during which a person reaching 65 may sign up for medical insurance under Medicare. Protection of Medicare can begin with the month in which a person becomes 65, but only if the individual has signed up prior to that month.

Medicare is available to people 65 or over even though they continue to work and do not receive regular monthly benefits. Signing for Medicare has no adverse effects on social security cash payments. Money earned after 65 still will be considered in computing monthly benefit payments.

Four Divorce Decrees Granted in Court Here

Four divorce decrees were granted last week to Granite City couples by Associate Judge Austin Lewis in the Granite City division of circuit court. They were awarded to:

Joels J. Ross from Marvin L. Rose, real estate and insurance agent. They were married May 4, 1954, and separated last Feb. 1965. Desertion was charged. Custody of three children was awarded to the mother. The father was ordered to pay \$50 per week child support.

Jane L. Moore from John P. Moore. They were married July 14, 1952. Desertion was charged. Custody of three children was given to the mother. The father was ordered to pay child support of \$40 per week.

Glenn K. LeMaster from Jerry L. LeMaster. They were married last Aug. 6. Cruelty was charged. Her maiden name of Glenn Crisman was restored.

Becky Laird from Gary Laird. They were married May 23, 1962, at Moro. The charge was cruelty. The mother obtained custody of three children, and the father was ordered to pay child support of \$40 per week.

New Venice Park Budget Raises Salaries \$4300

The Venice Park district has approved a 1966-67 budget and appropriated totaling \$72,000, an increase of \$131 over last year's total of \$71,339. The district's new fiscal year began May 1.

Although the new appropriation holds the overall increase to the \$131 figure, the new budget embodies salary increases aggregating \$4300. The salary boosts are offset partially by reductions in appropriations for other items.

The new bill is made up of appropriations totaling \$51,200 for the general fund, \$5500 for the Municipal Retirement fund and \$17,900 for the Recreational Program fund. Last year's appropriations for the same purposes were \$50,159 general revenue, \$3500 for retirement and \$17,700 in the recreational fund.

In the last year's appropriation, the park district left unchanged the salary of the park superintendent at \$3800 and the secretary's salary at \$2700 in the administrative account of the general fund. But the board increased from \$850 to \$1000 the appropriation for paying expenses of board members to attend annual convention meetings. It also added a \$300 election expense item not in last year's budget.

In the legal department account of the general fund, the board approved a salary of \$2400 for the park district attorney, an increase over last year's \$1800, and \$500 for auditing, which was not included in last year's budget.

For general park expenses, for maintenance of park buildings, the board appropriated \$1400, down \$150 from \$1550 last year. For maintenance of park grounds approved a total budget of \$20,065, down \$549 from last year's \$20,614. This item includes \$10,000 for park labor, same as last year. The appropriation of \$6000 for park police was unchanged.

The new budget also includes in the general fund a Building and Improvement fund item of \$7500, same as last year, and an unchanged item of \$500 for contingencies. The building and improvement fund amount is set aside each year for eventual construction of a park district office building.

The appropriation in the Recreational Program fund, totaling \$17,900, up \$200 from last year's \$17,700, includes \$4500 for hourly labor, up \$1000 from last year's \$2500 over last year's \$2000 budget for this purpose. Salaries of playground supervisors was set at \$2000, up \$1000 from last year's \$1000 budget. An appropriation of \$6000, down \$1000 from last year's \$7000, was set to pay the balance due on the lighting system for the ball park.

A copy of the appropriation and budget is published elsewhere in today's issue.

2 Schermer Youths Honored at Temple

Continuous perfect attendance records extending over several years were marked yesterday in ceremonies held at Temple Israel, Creve Coeur, Mo. Among those honored were David and Herman Schermer, sons of Mr. and Mrs. Avery Schermer, 2445 Patton road.

Herman, 15, whose record for continued attendance in a week-long course of instruction extended over nine years, had missed only one Sunday, due to illness within an 11-year period. A sophomore at Granite City high school, the youth will be confirmed at 10 a.m. Wednesday by Rabbi Martin Katzenstein in services at the Temple.

Ten-year-old David, a fifth grade pupil at Maryville school, received a citation for six years' perfect attendance. Dr. Sam Rosenkram, superintendent of the religious school, conducted the ceremony and presented the awards.

Their father is president of Schermer Bros. Market in Madison.

Gas Pump Damaged

A gasoline pump at the Venice Gas & Oil Co., 1185 Fourth street, Venice, was damaged at 11:20 p.m. Friday when a truck backed into the pump, according to a report to police by Willie Jend. The truck drove away after damaging the pump, police reported.

The Diplomatic Pouch

WASHINGTON—The following letters have been answered by the Department of State:

I recently attended a luncheon at a club.

Before we started, all the guests stood and we sang the national anthem, which was followed by the anthem of another country.

The speaker said, before he talked, that according to information she had from the State Department, our national anthem should be sung last.

Please advise which is correct.

H. B. Hollywood, Fla.

Dear Mr. B.: The usual practice in the United States and in most other countries is to play the Anthem of the foreign nation first, followed by the Anthem of the host country.

I would like to offer a few thoughts on a possible solution to the Kashmir crisis.

In brief, a governing body should be set up composed of one Indian governor, one Pakistan governor and one Kashmir governor, with equal powers and a majority of two required for action.

Further, a parliamentary system such as our Congress should be set up to propose, develop and pass bills to the Governors for approval.

The House of Representatives should be elected for four-year terms with proportional representation, and the Senate for six-year terms based on districts evenly divided by population.

I do hope this is of some assistance to you.

R. B. Evanston, Ill.

Dear Mr. B.: As you know, we have lent our full support to the United Nations Security Council's efforts to return the adversaries to the conference table.

We have not, however, made our own proposal on how the underlying problems which brought about the fighting should be solved.

This is not because there is a dearth of specific proposals on how the Kashmir dispute might be resolved. We have followed this course because we believe that in matters as delicate and as emotionally charged as the Kashmir dispute, the introduction of proposals from the outside quickly becomes identified with the proposed solution.

The proposals become the "American" solution, the "British" solution, and instead of moving the dispute any closer to resolution they distract the protagonists from the essential job of working out their own solution of a vexing problem which, after all, it is theirs, not ours, to solve.

You have expressed considerable thought to your ideas, and we want to make sure you understand some of our difficulties as well as our hopes in dealing with the subcontinent.

You may rest assured that we are hard at work trying to assist the United Nations to unravel the web of tensions which have built up in South Asia so that both India and Pakistan may return to the essential work of improving the lot of their peoples.

Do you have an inquiry? Send it to: "The Diplomatic Pouch," P.M.S. Room 4835, US Department of State, Washington, D.C., 20520.

Scholarships, Other Awards for Madison High Seniors

Seven scholarship grants and numerous other awards were announced Friday afternoon at Madison high school's annual senior class recognition and awards day assembly. John Harrison and Patricia Browning conducted the program and announced the names of award winners.

MHS principal Francis Dant briefly presented the 122 seniors who will be graduated at commencement exercises this Friday evening. Edward Barton and Richard Brown, Madison high school faculty members, assisted in arranging the awards program.

Outstanding students named as scholarship recipients, included Jim Tutka, who received the Shell Oil and Refining Co. scholarship grant, representing a four-year university and in-plant education; Robbie Robbins, student of the University of Illinois, \$1000 Illinois State scholarship.

Early Enrollment for Summer Study Urged

University of Illinois students planning to use the summer vacation period for corresponding study are urged to enroll early, according to Prof. Donald W. Scott, head of correspondence courses, division of university extensions.

Special registration for U. of I. students and residents of the Champagne-Urbana area will be held from 1:30 to 4 p.m. May 31 through June 3 in the Correspondence Studies Office, 104 Illinois Hall. Others may make inquiries by mail.

Students whose application cards are complete are advised to enroll before the special registration period. Summer is a period of heavy correspondence enrollment by students who attend colleges and universities during the regular academic year. They take advantage of the summer to make up deficiencies or to take extra courses.

Scholarships, Other Awards for Madison High Seniors

Seven scholarship grants and numerous other awards were announced Friday afternoon at Madison high school's annual senior class recognition and awards day assembly. John Harrison and Patricia Browning conducted the program and announced the names of award winners.

MHS principal Francis Dant briefly presented the 122 seniors who will be graduated at commencement exercises this Friday evening. Edward Barton and Richard Brown, Madison high school faculty members, assisted in arranging the awards program.

Outstanding students named as scholarship recipients, included Jim Tutka, who received the Shell Oil and Refining Co. scholarship grant, representing a four-year university and in-plant education; Robbie Robbins, student of the University of Illinois, \$1000 Illinois State scholarship.

Early Enrollment for Summer Study Urged

University of Illinois students planning to use the summer vacation period for corresponding study are urged to enroll early, according to Prof. Donald W. Scott, head of correspondence courses, division of university extensions.

Special registration for U. of I. students and residents of the Champagne-Urbana area will be held from 1:30 to 4 p.m. May 31 through June 3 in the Correspondence Studies Office, 104 Illinois Hall. Others may make inquiries by mail.

Students whose application cards are complete are advised to enroll before the special registration period. Summer is a period of heavy correspondence enrollment by students who attend colleges and universities during the regular academic year. They take advantage of the summer to make up deficiencies or to take extra courses.

AMSTED Industries' net income for its 1966 fiscal year is expected to increase 15% to 20% from the record \$11,776,000, or \$4.26 per share, earned in fiscal 1965, Joseph B. Lanterman, president, today told the New York Society of Security Analysts. Sales in the year ending Sept. 30, 1966, are also expected to top last year's record of \$187,856,000, Lanterman said. The estimated earnings do not reflect any increase in income tax rates.

"The largest gains will be in sales of cast steel components for new railroad freight cars, he said. 'The railroads' freight car building program is continuing at a fast pace, and strong demand for AMSTED's railroad products should continue throughout the remainder of the year.' The local American Steel Foundries plant produces railroad materials.

The AMSTED president said that the company's total sales of non-railroad products—including roller chains and sprockets, precision machine tools, cast iron pressure pipe, vitrified clay pipe, industrial castings and forgings, and pipe coating and wrapping will be well ahead of last year's sales levels.

Lanterman estimated that net income in the quarter ending June 30, 1966, would surpass last year's all-time record for this quarter of \$3,718,000, or \$1.34 per share. He added that earnings in the quarter ending Sept. 30, 1966, would be less than the June quarter results because of vacation shutdowns, but are expected

Gunpowder Capsules Found under Mail Box

Madison police reported Saturday that ten plastic capsules of gunpowder, each about three inches long and an inch in diameter, were found early Saturday morning under a mail box at 13th street and Madison avenue.

Officers checked the type of powder and determined that it was powder used in reloading shotgun shells. Officers said they had no idea as to why the capsules were placed under the mailbox.

MORE ABOUT Rte. 151 Issue

the north at West Ponton road, then there will be North Street at the Benjamin Addition near the warehousing construction planned by the Tri-City Port District; another access road at Rock road, which also serves the harbor; West 20th street, the direct route to the canal locks and the Bi-State Agency Harbor, and at Nidringhaus avenue, the main entrance to the Army Depot.

Farflung Connections
The new roadway is designed to connect onto Interstate Route 270 to the north, Interstates 70 and 55 to the south. It also could be the main artery through the multi-million industrial park to the north and west of the Quad-Cities.

Under the present schedule, right-of-way, acquisition, grading and construction of a rail overpass at the Illinois Terminal line west of the A. O. Smith Corp. plant are to be carried out this year. Construction of the overpass is to be accomplished to Nidringhaus avenue by late 1967, and the roadway will be extended to Venice by 1969.

Venice Mayor Lee told his council Friday night, "I have written state highway officials asking that any money diverted from the Route 151 River Road project because of the disagreement between Granite City and the state highway department be applied to the Broadway underpass project so that it can be built as soon as plans are ready."

"If Granite City is unable to reach an agreement with the state, it is possible we can get this year's allocation for Route 151 diverted to the underpass. We hope the state doesn't intend to wait until 1969 to build the underpass."

GC Council Demands
Council refusal to sign the working agreement with the state is based on protest against fencing along the highway through the city and for construction of a frontage road on the east side of the highway between West 20th street and Cayuga street.

Fifth Ward Alderman Nunn, who led last week's tabling action, has called for the 40-foot median strip to be reduced through the city to put the dual pavement farther away from homes and also to provide a right-of-way for the frontage road. He noted that the built up roadway will present problems for persons living at the eastern end of Cayuga and Denver streets who even now are faced with snow drift problems.

District Highway Engineer Robert Kronst has turned down the request for fence, saying the state does not finance such work and no federal funds are available. He also has turned down the proposal for narrowing the median strip, saying a safety factor is involved.

As a compromise, he said the state would build the two-block frontage road at an estimated cost of \$25,000 if the city would provide the right-of-way for an additional \$50,000. The city has taken no steps to accept the compromise, although the cost figures were not made public until Friday.

Partners' Comments
In a statement on the roadway issue Friday Mayor Partney, the mayor aimed a blast at Alderman Nunn. "The 'iron fence' issue, I feel certain, hides more than the proposed highway. How in the world can a few men have the audacity to strangle our entire area just for the self glorification and selfish satisfaction involved."

"Imagine what this highway can mean to the entire Quad-City area," the mayor continued. "Our river frontage could then be developed much more efficiently; construction of our hoped for industrial area and port development would take a great leap forward; new homes and businesses would be drawn to our community; the increased revenue to our city could be so fantastic that it staggers the imagination."

"As an alderman and former chairman of the Planning Committee, the Chamber of Commerce and myself, along with numerous citizens have fought for this highway for nearly 10 long years."

"It is now within our grasp, a reality for the taking, and the money is available and may soon disappear."

"How in the name of all that is right and good for our area, can these individuals do this to Granite City? Their act could more appropriately be called 'The Death of a City by Strangulation.'"

Report on GC School Negotiations Wednesday

A report on the status of contract talks with Granite City teachers is scheduled for a regular school board meeting at 7:30 p.m. Wednesday.

The agenda also includes physical examinations for students and employees, site development bids, a secretarial hiring policy, railroad tax litigation, an application for federal Aids and Humanities Act funds, combination insurance policies, an Illinois Sanitary Water Board report and hiring and resignations.

SOCIETY

Local Secretaries Win Book Award

Approximately 300 members attended the 14th annual Illinois Division meeting of the National Secretaries Association (Int.) over the weekend at the Bel Air East in St. Louis, including 19 members of the Tri-Cities Chapter.

The local chapter was winner of the cash award for first place with the "NSA Note Book," and was also among the three chapters mentioned for an increase in membership the past three months.

The "secretary of the year" luncheon was held Saturday and a banquet and installation of officers took place Saturday evening.

The principal speakers were Edward McCauley, a serious humorist who spoke on the topic "How to Keep Your Foot Out of the Kitchen," and Mrs. Lenore Fort of Michigan.

FOURTH BIRTHDAY OF GEORGE VESCI II

George Vesce II celebrated his fourth birthday with a party at noon Saturday given by his grandparents, Mr. and Mrs. George Foster, 3844 Lake street. Games were played, with prizes going to Denise Starling, Robbie Chapman and Shelly Boyd.

Refreshments were served to Paula Starling, Mrs. Linda Chapman, Wanda Boyd, Frances Hogan, Pam Medlin, Joanne Starling, Carole Vesce and Tomma Boyd.

Later in the evening, cake and punch were served to George's great-grandmother, Mrs. Bertha Eaton of McLeansboro, Ill., and Mrs. and Mrs. Walter King and Mr. and Mrs. Earl Phelps and daughter, Debbie. The honoree received many gifts.

JUNIOR SERVICE CLUB FEDERATION LUNCHEON

A Junior Service Club Federation luncheon was held Saturday at the Gaslight Bath and Tennis club, Collinsville, with the Collinsville club as host. A fashion show was part of the afternoon's entertainment, followed by installation of officers by Mrs. Winkle of Edwardsville.

Mrs. Harold Schreppel of Collinsville is retiring president. Officers for 1968-69 were: Mrs. B. E. Fitzpatrick, president; Mrs. Peggy Hefer of St. Louis, first vice-president; Mrs. Julia Bolvick of Madison, second vice-president; Mrs. Roseann Franke of Edwardsville, recording secretary; Mrs. Schreppel, corresponding secretary; and Mrs. Ruth Vogele of Venice, treasurer.

PARENTS, FRIENDS PLAN ST. JOSEPH'S PICNIC

Parents and Friends of St. Joseph's school met Thursday evening in the church hall for their final meeting of this year.

The group discussed the annual school picnic May 24 at Wilson Park. In the event of bad weather, the picnic will be held at the church hall.

Sister Mary Georgina's first and second grades were honored for having the largest number of parents present. The next meeting is scheduled for Sept. 15. Refreshments were served by Mrs. Wayland and Mrs. Mary Perdue to 17 members.

FINAL MEETING OF AREA PTA COUNCIL THURSDAY

Mrs. Lucille Caban, president of the Area PTA Council has announced the final meeting at Maryville school at 7:30 p.m. Thursday. Installation of officers will be held, with presentation of a scholarship from donations at a recent all-school art exhibit.

St. Clair Toastmasters will be guest speakers, and their topic will be "chairs, committees and their duties." Mrs. Kathleen Tadlock will present "How Not to Do It," a humorous satire.

Bojkovsky-Young Nuptials Saturday

Miss Anna Mae Young, daughter of Mr. and Mrs. Henry G. Harris of Troy, Mo., and Louis S. Bojkovsky, son of Mrs. Ustine Bojkovsky, 818 Alton avenue, and the late Paul Bojkovsky, were married Saturday afternoon in the St. Louis County District Court.

Judge Richard T. Enright officiated, and after the ceremony, the couple left on a short honeymoon. They will reside in Madison. Both are employed by a St. Louis shoe firm.

HONOR DAUGHTER ON BIRTHDAY

Angela Epperson celebrated her 13th birthday at a patio party given Saturday evening by her parents, Mr. and Mrs. Robert Roney, 2704 State street.

Present for dancing and supper were Vicki Allison, Debby Baker, Janice Brewer, Sophia Dragich, Cindy Ezell, Tina Gitchell, Jennifer Hayes, Colleen Jeffries, Jane Jones, Kathy Kernerly, Sue Krohn, Lorain Ranft, Janet Wilson, the honoree and her sister, Deborah.

Beating Charge False, Woman Tells Deputies

A charge of aggravated battery made by a Granite City woman against an East St. Louis man in the beating of her son was repudiated during the weekend.

However, the county sheriff's office today said that the case is to be presented to the grand jury this week.

The defendant is Donald Compton, 30, who is charged with beating Michael Kreiser, son of Mrs. Earlene Kreiser, 22, of 5 Bradley avenue. The boy was left in his care last April 16 at the Kreiser home near Staling.

Mrs. Kreiser said the report she had made to the Madison county sheriff's office previously was incorrect. She told authorities that she learned later, after talking to her son, that Compton had not beaten the boy but had spanked him and made him stand on a chair after the boy refused to enter the house.

She said her son fell from the chair, hitting his head against the wall and hurting his shoulder. His face hit the floor, causing a cut lip, she added.

A sheriff's investigator said other evidence was available and would be presented to the grand jury which convened today. It is expected to deliberate on about 20 criminal cases before reporting next week.

David John Elected Optimist Zone Officer

David E. John, 3285 Bradley avenue, a local realtor, was elected lieutenant governor of Optimist Zone F, during the Central-Southern Illinois Optimist district convention held in Decatur, Friday through Sunday. At the conference Kenneth Graham, 14, son of Mr. and Mrs. Kenneth Graham, 2017 Manley avenue, placed second in the district oratorical contest.

The new zone officer is a past president and past secretary of the Granite City Optimist Club. His jurisdictional area will cover the Quad-Cities, Edwardsville, Wood River, Alton and Highland.

The Graham youth, a Coolidge junior high school ninth grade student, earlier has captured the local zone oratorical championships. He also was the defending district champion.

Others attending the convention from here included Mr. and Mrs. Carl Roach, Mr. and Mrs. Gene H. Sternberg, Mrs. David E. John, Arthur Roseman and Mr. and Mrs. Wilbert Triebes and a family.

Wondra Recuperating At St. Louis Hospital

Frank F. Wondra, 2864 East 27th street, is in satisfactory condition at Jewish Hospital, St. Louis, after undergoing surgery Thursday to correct a back ailment. He is expected to remain confined there about two weeks, his wife reports, and is now allowed to have visitors.

A foreman at American Steel Foundries, Wondra underwent corrective surgery for the same injury about 15 months ago.

Held In Assault Case

Charles E. Beaton, 38, of 1317 Washington avenue, Madison, was arrested on an assault and battery charge at 1:25 p.m. Saturday. Police reported that Beaton struck his wife, Mrs. Ruby Beaton, whom they found bleeding about the face when they arrived in answer to a report of a disturbance. Beaton was held in jail today in lieu of \$500 cash bond.

Charged With Speeding

Carl W. Buchanan, 22, of Caseyville, was arrested by police on a speeding charge at 10:15 p.m. Saturday at Broadway and McKinley street. Buchanan posted his driver's license as bond to appear for hearing in magistrate's court June 1.

April Births Down, Deaths Show Increase

The April Madison county vital statistics report by Miss Eulalia Hotz, county clerk, today showed 250 births, 179 marriages and 172 deaths, compared to April 1965 figures of 307 births, 163 marriages and 166 deaths.

The latest birth listing included 147 boys and 103 girls, compared to 174 boys and 133 girls in the same month a year ago. There were two sets of twins in April 1966, with one set born in April 1965.

County Plans Dump, Landfill Controls

Inspection of open dumps and sanitary landfills in unincorporated areas of Madison county is being conducted by a special committee of the Madison county board of supervisors and representatives of the county's zoning and building department, as the first step toward a legislative program of control over such areas.

Jack Clifford, administrator of the county zoning department, said that members of the special committee, appointed by County Board Chairman Harold Landolt, are to visit all landfill and dumping locations to get a first-hand view of conditions.

The new committee, designated as the Garbage, Refuse Disposal and Sanitation committee, is headed by Clyde Denham of Wood River. Members are Ray Berg of Marine township, J. J. Granlich of Saline township and Virgil Bardelmeier of Pin Oak township.

C&E Anticipates \$3 Million Profit

Earnings in excess of \$3 million dollars for the current year, as compared to a \$2,314,927 profit in 1965, can be expected by the Chicago and Eastern Illinois railroad if the business pattern of the first quarter of 1966 continues, according to David O. Mathews, president.

Addressing an annual meeting of the stockholders, at Chicago, Mathews said the C&E, which maintains extensive yard operations at Mitchell, appears headed for a record \$3 million in operating revenues in 1966, compared with \$42,535,788 last year.

Mathews said that cash in hand, including short term securities, totaled \$6,270,725 at the close of business last April 29, the highest since April, 1964.

Commenting on the generally improved picture of railroad business, Mathews said "the major factor in my view, has been the change in railroad thinking. For many years railroads sought to solve their revenue problems by rate increases apparently in the hope that truck, air, water and pipeline competition was nothing more than a passing fancy that would go away if ignored long enough. Such was not the case. He said greater freedom in rate making for railroads has resulted.

Teachers Federation To Honor Retirees

Granite City Federation of Teachers, Local 743, will honor local educators who plan to retire at the conclusion of the current school year and present a \$400 scholarship award at the group's regular meeting Wednesday, June 1. The program is slated to begin at 4 p.m. in Coolidge junior high school cafeteria.

The Federation's annual scholarship grant will be awarded for the third consecutive year to John Kelahan Jr., who will start his junior year in September at Southern Illinois University-Southwestern Campus. Majoring in education, the youth plans to continue his career in the area of guidance and counseling.

He is a graduate of Granite City high school and resides with his parents, Mr. and Mrs. John F. Kelahan, at 1701 Mitchell avenue. Miss Eleanor Waddington, a teacher at Marshall school, is chairman of the Local 743's scholarship committee.

Gov. Kerner Will Attend State Sports Jamboree Here

Gov. Otto Kerner has accepted an invitation to attend an awards luncheon on Aug. 6 in Granite City when top young athletes who have competed in the Illinois Junior Sports Jamboree will be honored with trophies and other awards.

The governor's acceptance was announced today by James Burton, president of the Granite City Jaycees, co-sponsors for the fifth annual state-wide sports event.

A major planning session in preparation for the three-day track and field championship meet will be held at 7:30 p.m. Wednesday at the Tri Mor Bowl. At that time, Earl "Butch" Leonard, a former major league pitcher now working with the Illinois Youth Commission, will explain details to be coordinated by the local service organization. Boyd Presley and Herbert Siebert are serving as co-chairmen for the 1966 state jamboree.

Tentative schedules to be further discussed Wednesday eve-

ning includes transportation of first place winners to Granite City from 12 track sectional areas throughout the state with their arrival slated for Thursday, Aug. 4.

Registration will be at Coolidge junior high school, when housing for cheerleaders and youngsters will be assigned in local school gymnasiums. After registration, the contestants will be escorted to the GCHS cafeteria for a box supper and an evening of entertainment.

A parade Friday morning, Aug. 5, through the Granite City business district will be followed with an "Olympic Torch" ceremony at the city hall. The torch relay will then move to the GCHS athletic field for opening ceremonies. All contestants and their chaperones will ride in their assigned buses during the parade.

Immediately following the ceremonies, a track demonstration will be presented by outstanding athletes from the East St. Louis area. After lunch Friday, field events will be held at Coolidge junior high school.

The same evening preliminary track competition will be held under the lights at the GCHS athletic field with two heats of six contestants each competing in each event. First through third place winners in each heat will qualify for the track finals scheduled to be held at the high school Saturday morning.

The luncheon and awards program will follow the finals at the high school cafeteria and auditorium. Many dignitaries, including Gov. Kerner, will participate in this phase of the program. Each contestant placing sixth or higher will receive a trophy. All other participants will be presented with a cup.

Members of the Granite City Jaycees who are heading arrangement committees, include Mrs. Betty Lake, general chairman; Mrs. Sharon Ritchie, chaperone and housing chairman; Mrs. Sandy Peterson, decorations chairman; and Mrs. Kathy Jeffries, women's supervisor. Additional chairmen still are being sought.

At last year's Junior Sports Jamboree held at Eastern Illinois University, Charleston, more than 700 youngsters competed. The event annually draws between 2000 and 3000 spectators from all areas of the state.

CLASS LEADERS among the Venice high school graduation class are Judith Reidelberger (right), school valedictorian, and Barbara Manier, salutatorian.

Bi-County NYC Program Wins Approval by EOC

Madison and St. Clair counties will join in an expanded bi-county program this fall as a result of action taken by the Madison County Economic Opportunity Commission in Edwardsville last week. The commission voted 21 to 2 to join with the St. Clair County Economic Opportunity Commission in a 12-month NYC program starting in December.

Both counties will operate separate programs this summer, according to Maurice S. Harris, executive director of the commission who advanced the proposal at Monday night's meeting. The executive committee of the St. Clair county commission has approved the joint program, but it has not yet been acted upon by the commission.

The program, aimed at training and developing poverty-stricken youngsters for semi-skilled jobs, depending upon ability, will be administered by a bi-county policy board composed of members of both commissions, Harris said. A project director, aided by project specialists, counselors and an administrative assistant will handle the program.

Vietnam Veteran To Speak at DUV Memorial Service

Major George Wilson, director for services, of the Granite City Army Depot, a Vietnam veteran, will be the speaker at the annual Memorial Day services next Monday, May 30, on the lawn of the city hall.

The event is sponsored each year by Sarah Jane McEvers, 50, daughter of Union Veterans of the Civil War.

Major Wilson has been decorated with the Bronze Star Air Medal, the Combat Infantryman badge and the Armed Forces Expeditionary Forces Medal.

The colors will be raised by members of Boy Scout Troop 13 of St. Elizabeth's school, Pete Carth, Scoutmaster, and the Gopselaires will sing.

Mrs. Gusie Cheatham is serving as chairman of the event this year. Veteran organizations of the Quad-Cities will participate.

GC Fiscal Balance Totals \$292,283

Granite City ended its 1965-66 fiscal year with a balance of \$104,383 in its general fund and \$942,687 in all special funds, according to a treasurer's report proposed by City Treasurer E. R. "Pat" Rich.

The total balance of all funds, amounting to \$1,047,070, is an increase of \$292,283 over the total balances of the 1964-65 year as of April 1965, the report showed. The city ended the 1964-65 year with a balance of \$63,081 in all other funds, or a total balance of \$691,706 in all accounts.

Because of the recent transfer of funds to absorb deficits in some general fund accounts, all items in the general fund showed balances at the end of the year on April 30, Rich's report shows.

Largest balance of the general fund was \$21,893 in the tax commissions fund from which \$80,000 recently was transferred to make up deficits in other accounts. The fire department account showed a balance of \$15,045 and the street and alley department a balance of \$12,073.

In the city's other funds, largest balance was \$350,372 in the sales tax fund, \$133,968 in the working cash fund and \$105,492 in the arterial street maintenance fund.

So what does it prove?

It proves experience and durability. And experience and durability are two of the most important assets a title insurance company can share with you. When you buy real estate you must be certain that you will receive a good title — and today this means an insured title. You need and deserve the help of experienced people—people who have made title protection a lifetime business.

And you need and deserve the assurance that the company which issues your title insurance policy is here to stay—that it has the stability and financial strength to give you long-term protection. Experience and durability: you'll get the benefit of both when you safeguard your property ownership with a Chicago Title and Trust Company title insurance policy.

Chicago Title and Trust Company provides the kind of rapid, efficient service that only the company with 119 years of experience in Illinois real estate titles can offer . . . with the safety that can only come from the company with the largest financial assets available to protect you against loss.

Miss King of Newfoundland Is Bride of Robert Schroeder

Miss Dorothy Ann King, a daughter of Mr. and Mrs. Peter F. King of Long Harbor, Newfoundland, and Robert Schroeder, son of Mr. and Mrs. Joseph Schroeder, 4205 Breckenridge lane, were married Friday evening at St. John United Church of Christ.

Rev. Paul Surbey performed the ceremony at 7:30 o'clock, and the bridegroom's parents entertained relatives and friends at a reception in their home afterward.

The bride wore a short white dress with a bodice of lace and

a skirt of organza. Her headpiece of matching material held in place a short veil and she carried a bouquet of white roses centered with an orchid. She was escorted by the bridegroom's brother, Joseph Schroeder Jr. Attendants were Miss Bonnie Schroeder, the bridegroom's sister, and Robert G. Short. Miss Schroeder chose a dress of pink sheer with a bodice of lace and a lace headpiece. Her flowers were pink roses.

Wedding music was furnished by Lois Ann Billrey, soloist, accompanied at the organ by Mrs. Isabel Schmidt.

After a short trip the newlyweds will live at 4205 (rear) Breckenridge lane.

Mr. Schroeder is employed by Dow Chemical Co. He spent three and one-half years in the Navy, two years of which based in Newfoundland.

MRS. EUGENE H. SWANSON JR., (Linda Lou Farrow) daughter of Mr. and Mrs. Frank A. Farrow, 1733 Venice avenue, who was married Friday evening at the Nameoki Methodist Church.

Candlelight Setting Friday For Swanson-Farrow Wedding

A brass arch holding lighted candles with candles in candleabra at each side illuminated the Nameoki Methodist Church for the wedding Friday evening.

Miss Linda Lou Farrow and Eugene Harvey Swanson Jr. Two bouquets of white gladioli, turquoise mums and green-ery graced the altar and white ribbon bows marked the pews down the center aisle.

The bride is a daughter of Mr. and Mrs. Frank A. Farrow, 1733 Venice avenue. Mr. Swanson's parents are Mr. and Mrs. Eugene H. Swanson Jr. of Chicago.

The Rev. Frank Pierce, pastor, performed the double-ring ceremony at 6 o'clock.

Preceding the service Mrs. Vivian Padgett, an aunt of the bride, sang "The Wedding Prayer," "Always" and "More Blessed." The organ was played by Phil Spence who played the wedding marches.

The bride wore a dress of white tulle with a detachable corsage was carried by the bride.

Attendants for the bride were Miss Lynn Ackerman, maid of honor, and three bridesmaids, Miss Julie Padgett, a cousin, Miss Mary Anne Armfield, and Mrs. Truman McConnell.

Their gowns were identical in color and design. Made of aquamarine crepe, they were floor-length with bateau neckline, cap sleeves and fitted bodices. The straight skirts were accented at the waists in front with ties of olive green velvet ribbon.

Pillbox headpieces of crepe in the same shade held in place short circular veils.

All carried full cascades of white carnations and elegance roses with lace and turquoise streamers.

Michael Knapp carried the rings, and little LeAnn Galbreath was flower girl.

Others in the wedding party were Ernest Jahne, best man, Walter Tyndor, Dr. Frank and Jack Farrow, a brother of the bride, the groomsmen, and Manuel Formosa, Joseph Scola, Steven

Miss Kathleen Deutschmann, James E. Campbell are Wed

mann and James Edward Campbell exchanged wedding vows Saturday evening in an impressive ceremony taking place at First Church of the Nazarene.

The Rev. G. M. Faye officiated at the 7 o'clock service.

The bride is the only daughter of Mr. and Mrs. Vernal Deutschmann, 2234 East 34th street. Mr. Campbell's parents are Mr. and Mrs. John Campbell, 2 Mercer drive.

Arch-d candleabra holding lighted candles and altar bouquets of pink and white gladioli and mums together with arrangements of palms and ferns, decorated the sanctuary, and white ribbon bows marked the family pews. During the ceremony the couple knelt on a white prie-dieu.

The bride wore a gown of gardenia-white tulle. A monocle lace defined the high rise bodice and outlined the deep oval neckline. Additional motifs of lace accented the elbow-length sleeves and continued on the floor-length sheath skirt. A full Camelot train trailed the shoulders was

combed length.

The veil of silk illusion cascaded from a pearl trimmed lace comb and the bride carried a bouquet of phalaenopsis orchids, stephanotis and ivy. Mr. Deutschmann gave his daughter in marriage.

Mrs. Herbert Hensley presided at the organ. The vocalist, Warren Simpkins, director of vocal music at the Granite City high school, sang "Wedding Benediction" and "Wedding Prayer."

The petal pink dotted Swiss dresses worn by the attendants followed the same lines as the bride's gown with high rise bodices, deep oval necklines and elbow sleeves finished with deep rufflings of lace. The slender skirts of floor-length white row velvet ribbon trimmed the bodices finished with small tailored bows and long streamers.

Large matching pink maline rosettes adorned their heads and they held nosegays of white and pink carnations.

Miss Patricia Rutkowski was maid of honor, serving with two bridesmaids, Miss John Stroth, a cousin of the bride, and Miss Deborah Campbell, a sister of the bridegroom.

A little flower girl, Enid Michelle Cox, cousin of the bridegroom, carried a basket of rose petals. Michael Rutkowski was ring bearer.

Brutke and Theodore Mihuta, groomsmen, carried the bride and groom.

The bridegroom's mother selected for the wedding a dress of navy and white printed silk with a full length navy blue coat and white accessories. The bride's mother wore powder blue embroidered linen and powder blue accessories. Both complemented their costumes with white orchid corsages.

The flower girl wore a long dress of white tulle with a circlet of white daisies in her hair edged in blue. She carried a basket of rose petals.

A reception was held in the church Fellowship Hall after the ceremony and the newlyweds left for a honeymoon at a Lake of the Ozarks resort.

The former Miss Farrow attended the local schools, Central College in Fayette, Mo., and McKendree College, Lebanon. The bridegroom also attended McKendree College.

Five Opposing Tabling

Support for the river road was voiced previously by Mayor Donald Partney and by Aldermen Sam Whitmer of the Second Ward, Paul Rutledge of the Fourth Ward, Richard Fry of the Sixth Ward, Gene H. Sternberg of the Seventh Ward and Earl Thompson of the Eighth Ward, who opposed tabling of the agreement last week.

Those voting to table May 16 included Aldermen Charles Morien and William Dallas of the First Ward and Clyde Boyd of the Third Ward. It is believed that they would reconsider the project if revised as outlined yesterday.

Many of those conferring Sunday had toured the highway right-of-way during the weekend. Hardships resulting from land acquisition were not a major concern, but several residents are to be included in the talks with highway engineers.

Reasons For Tabling

It was stressed that last week's tabling action did not reflect opposition to the highway but rather concern that related problems be solved.

Such problems were listed as including protection of safety, accessibility to fire and police departments, proximity of the highway to some homes, and scheduled condemnation of major portions of certain lots.

It was noted yesterday that grading of part of the right-of-way is needed this year in connection with current port warehouse projects.

MOTHER-DAUGHTER
DINNER BY SISTERHOOD

Approximately 100 attended at the Sisterhood of Dewey Avenue Methodist Church gave its annual mother-daughter banquet Friday evening.

Dinner was served at tables decorated with candelabra holding slim tapers, and each place was marked with a miniature May basket.

Mrs. H. Ambury offered prayer. Mrs. Shirley Lane, serving as toastmaster, introduced her daughter, Kathleen, who played a piano solo. Mrs. Louise Potillo, accompanied at the piano by her daughter, Sandra, sang a solo, "The Touch of His Hand on Mine."

Women of the Bible were portrayed and descriptions of their lives were reviewed. Mrs. Wilma Ambury was "Sarah," Mrs. Gladys Potillo "Rachel," Mrs. Lottie Squires "Jocabeth," Mrs. Mary Elmore "Ruth," Mrs. Violet Miller "Hannah" and Mrs. JoAnn Tepler "Mary," mother of Jesus. Mrs. Lane read a poem, "Mother's People."

Gifts were presented to Mrs. Linda Duncan, youngest mother; Mrs. Zetta Hornbuckle, oldest; Mrs. Fern SanSoucie, mother of the children; Mrs. Tepler, most grandchildren; Mrs. Juanita Sigite, youngest grandmother; and Mrs. F. Reid Crawford, mother bringing the most guests.

Rev. Ambury gave a review of women and their role in the church.

Tries to Sleep at Police Headquarters; Arrested

Billy Joe Smith, 26, of 2030 Steen street, Madison, was arrested on a charge of disobeying a police officer early Saturday morning when he refused to heed an earlier warning by an officer and went to Madison police headquarters where he tried to go to sleep in the lobby.

Police reported they were called to a tavern about 3 a.m. where Smith was creating a disturbance outside. They told Smith an auto was going home from the car and struck the right rear of her auto. She said the other car left the scene. Police were given the license number of the other auto.

Rail Merger Proposal Affects Quad-Cities

(First of a series)

The Quad-City area is directly affected by the outcome of a current tug-of-war for acquisition of the Rock Island Railroad (Chicago, Rock Island & Pacific), a study by the Press-Record showed today.

One local organization already has gone on record as favoring merger of the Rock Island and Chicago & North Western lines, and it is expected that Quad-Cityans will be among those testifying before Interstate Commerce Commission hearings during the next two to four months.

Three possibilities are that the ICC might rule against any merger involving the Rock Island; it might approve acquisition of Rock Island by G&NW, which will ask the ICC in late May for permission to merge with the Chicago, Milwaukee, St. Paul & Pacific railroad; or it might allow the Rock Island to be taken and split by the Union Pacific and Southern Pacific railroads.

C&NW Yards Here
Local interest stems from the fact that the C&NW serves the Quad-City area and operates yards in the Madison area. If it would be weakened financially by extension of the Union Pacific into its area, it is felt that local railroad service might deteriorate.

Another point of concern is whether rail service is to be curtailed to southwestern states served by products shipped from manufacturers and fabricators in this region.

Fear of rail traffic diversion resulting from the Union Pacific plan—diversion estimated at as much as \$220 million a year—was the central issue brought out in ICC sessions conducted in Chicago in late April and early May.

a well-known song as "a mighty good road"—is between the C&NW and UP. But more than two score railroads, state commissions, city officials and other interested parties plan to intervene in the proceedings.

Among railroads opposing the Union Pacific are the C&NW, the Milwaukee road, Missouri-Pacific, Denver & Rio Grande Western, St. Louis-San Francisco Railway, Atchison, Topeka & Santa Fe and the Western Pacific.

C&NW wants the entire Rock Island line but, if the Interstate Commerce Commission makes it a condition of merger, North Western would sell a portion of the track to the Santa Fe for about \$100 million. The basic UP plan involves division of Rock Island, with Southern Pacific paying \$120 million for southern trackage.

Calls Diversion Minimal

At the Chicago hearings, attorneys for dissenting railroads cross-examined Robert A. Lovett, UP executive committee chairman and its leadoff witness. In his direct testimony submitted earlier to the ICC, Lovett conceded some traffic might be taken from other carriers, but

called this diversion "minimal."

Cross-examination by the North Western's chief trial counsel, William L. McGovern, brought out that four independent traffic surveys showed UP could divert millions of dollars in annual freight revenues from other lines.

One study, conducted by James R. MacAnally, Union Pacific's vice-president-traffic, showed the potential diversion of \$220 million. A similar study conducted for the Rock Island by the investment banking firm of Glore Forgan, William R. Staats, Inc., Chicago, showed the traffic diversion potential to be approximately \$173 million. Another traffic study was conducted for Union Pacific by the railroad consulting firm of Weyer, Dick & Co., Upper Montclair, N. J.

When questioned about the MacAnally study by McGovern, Lovett replied that the \$220 million figure represented the "theoretical maximum" diversion potential and was, in his opinion, an "unrealistic" figure.

Lovett agreed with McGovern's statement that the Weyer study suggests one of UP's considerations in a merger "should be the degree to which you can look forward to influencing traffic away from existing lines."

Aggressive or Defensive?

McGovern's cross-examination

also revealed that the Weyer study characterized a Union Pacific-Rock Island merger as an "aggressive" merger, whereas a merger between Union Pacific and one of the other six principal midwestern lines interchanging traffic with Union Pacific at Omaha Council Bluffs, Ia., such as the North Western, would be largely "defensive," Lovett said. "That is Mr. Weyer's opinion."

Attorneys for other railroads attacked other reasons given as to the desirability of a Union Pacific-Rock Island merger.

In his prepared testimony Lovett said that among other things, Union Pacific feared the competitive threat posed by a possible merger of the Great Northern Railway, Northern Pacific Railway and the Chicago, Burlington & Quincy Railroad. On cross-examination by Leon Leighton, counsel for the Missouri-Pacific, however, Lovett said he was aware that the ICC had recently denied the merger of these roads.

Rock Island Upgrading
Leighton also asked Lovett about the Union Pacific's plans for a major capital spending program, involving some \$200 million to upgrade the Rock Island lines if the merger is completed. Lovett said the UP board has not committed itself to spend

any specific sum toward upgrading the Rock Island.

Lovett was also questioned by attorneys for the Rio Grande Western, Pacific, Milwaukee, Santa Fe, Frisco, Burlington and Great Western, and by a representative of the Colorado attorney general's office and a representative of a farm shippers' group.

Edd H. Bailey, Union Pacific president, was that road's second witness and outlined plans for service improvements.

Propose Local Yard
In an apparent effort to attract support for its application from this area, Union Pacific last week said a yard would be built in the Madison-St. Clair counties area to tie its proposed system with eastern and southern-based railroads.

Trains would be brought in from the west and southwest for

switching to the east and south. This area and Chicago would be the easternmost terminals for the system. Most western-based railroads coming into this region utilize terminals on the Missouri side of the river, it was noted.
